Fire Damages Lee Park Concession Stand

Fire damaged a concession stand and storage room at Lee Park, Venice, at 7:30 p.m. Monday. Cause of the fire is unknown, according to Venice firemen who estimated \$100 damage to the building and \$100 to the contents. Firemen were on the scene about an hour.

Venice firemen also answered a call at 10 p.m. Monday to the residence of Richard Beck, 108 18, of 402 Kirkpatrick Homes, Third street, where hot grease in a pan caught fire. Firemen estimated a \$10 loss to contents of the kitchen.

Two Youths Arrested On Exposure Charges

Two Granite City youths were arrested by Venice police at 4:15 p.m. Tuesday on charges of indecent exposure. Police said they received complaints that three boys were hitchhiking along Broadway and creating a disturbance.

Officers said as they arrived they arrested two of the youths on the exposure charge. The third had succeeded in getting a ride before police arrived and eluded arrest.

The youths, Lloyd J. Brooks, 18, of 402 Kirkpatrick Homes, and Randall Parks, 19, of 2831 East 24th street, were released pending magistrate hearings next month.

GCAAR Prepares for Start Of Handicapped Workshop

Plans for the establishment of a Quad-City production center for the handicapped and the start of an instructional swim program for school-age handicapped youngsters were the principal topics Monday evening at a meeting of the Granite City Association for Aid to the Retarded.

Approximately 30 attended the monthly session at St. John United Church of Christ.

In connection with the proposed opening of a sheltered workshop the Quad-Cities, Eugene

three pupils. All qualified instructors will be required to take a minimum of 15 hours additional training to conduct the course, he added.

In other action, the association voted to send Mr. and Mrs. Tondre as official representatives to the 1966 convention of the National Association for Retarded Children, on Oct. 18-22 in Kansas City, Mo. The theme of this year's conference will be "Closing the Gap."

Trime Announces Cut In State Aid Funds

A cut of \$343,099 in state aid claims to pay the 15 school districts of Madison county has been made because of adjustments of allotments based on average daily attendance as filed in June. It was announced yesterday by Wilbur R. L. Trime, county superintendent of schools.

Trime said the 15 districts already have received \$5,059,206 of the total of \$9,774,813 allotted for the 1965-66 school year.

Monthly allocations for various districts, to be made over the next four months, include Granite City, \$188,159; Venice, \$209,1 and Madison, \$32,217.

Mrs. Virginia Meek, 55, Dies Unexpectedly Here

A former 53-year resident of Granite City, who was staying here overnight with an ailing sister, collapsed and died early yesterday morning after suffering an apparent heart attack.

Mrs. Virginia Meek, 55, of 4225 North Florissant avenue, St. Louis, was pronounced dead on arrival at 2:15 a.m. yesterday, at St. Elizabeth Hospital, where she was rushed by ambulance following her collapse. She is believed to have been stricken after thinking the condition of her sister, Mrs. Alberta Christ, had worsened. An inquiry is pending.

Mrs. Meek and Mrs. Christ were staying at the home of another sister, Mrs. Richard (Caroline) Ely, in Mitchell.

A native Granite City, who had lived here until two years ago, Mrs. Meek was a member of the Holy Name of Jesus Church on East Grand Blvd., St. Louis. Her husband, John Meek, died in 1961.

Besides Mrs. Christ and Mrs. Ely, she is survived by four other sisters, Mrs. Gertrude Duerst of St. Louis, Mrs. Frank (Genevieve) Grady and Mrs. Fred (Mabel) Maxiner, both of Granite City, and Miss Mary Black of Wilder, Tenn.; one brother, Arthur Black, Durango, Colo., and several nephews and nieces.

Funeral arrangements are given in today's obituary column.

Pvt. Larry R. Comer About Vietnam Fighting

While engaged in artillery operations against Viet Cong jungles near Phu Loi earlier this month, Pvt. Larry R. Comer found time to describe the action in a letter to his grandmother, Mrs. Adele Ryder, 2817 Herbert street.

The local soldier, who attended Granite City high school, has been stationed in South Vietnam for the past eight months. He is a member of "C" Battery, Second 24th Artillery of the First Infantry Division. According to his letter, he was recently re-assigned from his former base at Ben Cat, located northwest of Saigon, to the vicinity of Phu Loi.

Pvt. Comer wrote that his outfit "is blowing the VC boats out of the water in support of U. S. infantry battalions operating somewhere near the river."

"They say we are doing a good job. There must be a lot of action over there in that area, as the Air Force is in on it as well. We are firing all the time from a large field on the outskirts of Phu Loi. It isn't too bad, as it is always a cool breeze blowing."

A son of Mrs. Vera Comer, 211 Delmar avenue, the soldier was employed briefly as a welder before enlisting in the Army two years ago. He is to return to the U. S. in January.

Kiwanis Entertain Edwardsville Club

Members of the Edwardsville Kiwanis Club were inter-club guests of the Granite City Kiwanis, when the local group entertained Monday for dinner at the Rose Bowl. Among the guests were Louis Emko, Homer Runge, Clyde Reiter, Martin Lange, Louis Bouillon and Miss Delores Carter, the visiting club's pianist.

President, J. W. Jelen, local Kiwanis president, welcomed the guests and reported on a recent dinner meeting he attended at St. Elizabeth Hospital as the guest of M. H. Wolfe Co.

He said that following dinner, those present were escorted on a tour through five departments of the hospital, including a visit to the operating rooms where the guests observed regular surgical uniforms.

Jelen described the dinner as one in a series being conducted at the local hospital to afford residents of the area an opportunity to see in person the need for an expansion of facilities. The local club recently voted to sponsor a similar dinner.

One of the Edwardsville guests, Louis Bouillon, reviewed events taking place the previous week at the annual convention of the Kiwanis of Illinois, Eastern Illinois District held at Chicago, which he had attended with Jelen. He reported that Elmo Knaack of Chicago was named Kiwanis district governor-elect to take office in January.

Plans were completed for Jelen, Marvin Barnes, Melvin T. Gilie, Michael Tondre and William Herman to participate Tuesday, in an inter-club meeting with the Belle-Claire Kiwanis of Belleville.

Mrs. Lois Hester, 38, Dies; Ill 3 Months

Mrs. Lola Mae Hester, 38, of 2328 Washington avenue, a life-long Granite City resident, succumbed to complications, resulting from a liver ailment, at 12:45 a.m. Tuesday, at St. Mary's Hospital, St. Louis.

Ill for more than three months, she had entered the hospital two weeks ago and had been hospitalized on several other occasions previously.

Mrs. Hester is survived by her daughter, Mrs. John (Donna Mae) Spangenberg of Granite City; her parents, Mr. and Mrs. Jesse Martin of Granite City; four brothers, James, Richard, Louis Dale and Jesse Martin Jr., all of Granite City; six sisters, Mrs. Estelle Pollard, St. Louis, Mrs. Helen Cochran, Mrs. Grace Barnhart, Mrs. Lillie Ryterski, all of Granite City, Mrs. Ed Lipinski of Troy, Ill., and Mrs. Jean Buckingham of West Frankfort, Ill.; and one grandchild.

Funeral services were held today. Arrangements are given in today's obituary column.

GRACE BAPTIST GIRLS AUXILIARY CORONATION

The Girls Auxiliary of Grace Baptist Church, 3600 Edwards street, held its annual coronation ceremony Sunday evening at the church. The Auxiliary is composed of girls of the church from nine to 16 years of age, and the GA purpose is to make girls aware of missionary opportunities in their own community and throughout the world.

Theme of the coronation was "Arise, Shine for Thy Light is Come." The girls entered the church through an arch as their names were announced by the narrator and missionary president, Mrs. Sandra Logan.

Miss Joan Wiser and Miss Teresa McGuire, attired in white dresses, lighted the ceremonial candles. Miss Marlean Ellisworth, Miss Dianne Jane Wiser and Miss Joan Mayfield, gowned in pink, were the maidens. Wearing yellow dresses were the ladies-in-waiting, Miss Patricia Ann Millikin, Miss Pamela Sue Clay and Miss Barbara Sue Bandy.

Miss Sue Ann Welch, Miss Shirley Ann Mayfield, Miss Deborah Jean Slavins and Miss Frances Leonora Welly were princesses in mint green dresses. Wearing white formal gowns and carrying sprays of pink carnations were the queens, Miss Cherry Lynn Sharp, Miss Mary Patricia Price, Miss Bobetta Maria Wiser and Miss Karen Leigh Corzilius. Their flower girls and a crown bearers were Deborah Mueller, Philip Whitehead, Tommy Millikin, Glenn Finley, Marci Logan, Richard Price, Susan Welly and Larry Welly.

Queens with scepters were Miss Linda Kay Fulkerson and Miss Paula Jean Welch. Their flower girls and scepter bearers were Connie Funkhouser, Steven Joyce, Lisa Millikin and Jeffrey Parker. The girls with scepters

also were gowned in white and carried sprays of red carnations. Ron Joyce was song leader for the event, Mrs. Mary Parchmont, organist, and Mrs. Mary Ellenworth, pianist. Ushers were Miss Marilyn McKinney, Miss Linda McGuire, Miss Terry Ellsworth and Miss Debbie Roller.

Mrs. Gloria Joyce is the Girls Auxiliary director. Mrs. Bernice Sharp and Mrs. Ruby Williams, junior counselors, and Mrs. Marilyn Frith, intermediate counselor.

Soloist, Miss Jane Davis, sang "Open My Eyes That I May See." The entire group of girls closed the ceremony by singing, "I'll Tell the World That I'm a Christian."

A reception honoring the participating girls was held in the church parlors following the coronation.

FELLOWSHIP SPEAKER

The Methodist Youth Fellowship of Trinity Methodist Church, East 25th and Henry streets, met Sunday evening at the church. Dr. Norman Taylor, Rosewood Heights, guest speaker, discussed problems of adolescence.

The choir for the evening church service at Trinity Methodist is composed of the youth group, and the hymn sung Sunday was "Jesus Saves."

Members attending were Sherry Talley, president; Martha Wylie, secretary; Greg Jones, treasurer; Kathy Murphy, vice president; and Jeff Jones, Bruce Bryant, Eugene Bryant, Rick Talley, Eric Cruse, Lance Kennerly, Mick Lancaster, JoAnn Clark, Dan Clark, Mary Lou Clark, Trudy Holson, Sherry Johnson, Mike Johnson, Sherry Holt, Gail Schubert, Susan Phlinger and Susan Fogle.

Counselors are Mrs. Frances Holt, Mrs. Lorraine Fogle and Mrs. Joyce Harris.

Rev. and Mrs. Clair Clark served refreshments.

CADETTE ELECTION

Cadet Girl Scout Troop 1065, sponsored by Wilson PTA, met Tuesday evening. New officers elected were Phyllis Barnes, scribe, Joanne Miller, treasurer, and Carol Lakin, who will be in

for the payment, saying there was a misunderstanding, and that the earlier agreement to settle for a \$700 refund was a mistake.

Lawyer Explains Matter
An explanation of the matter was given the council by Lee Konzen, former assistant city attorney, who had conferred with HUD officials. He said the agency officials interpreted a 1969 agreement with the city as not providing any funds for sewage treatment planning.

The \$12,400 had been a portion of a \$120,000 loan by the agency in 1969 for the planning of a major sewer and drainage program. Since the sewer planning cost amounted to \$89,000, the city made application for use of a portion of the balance to plan sewage treatment.

Konzen pointed out that city officials and local civic leaders had gone to HUD in 1961 to seek an allocation for sewage treatment planning and had been told it was within the original agreement. With changes in personnel at the agency's Gateway office, the interpretation now is full repayment is required.

Council members are to decide the method of repayment.

11-6-3 for Gateway
The aldermen debated the payment of the five cents per capita fee to East-West Gateway Coordinating Council before approving it 11-6-3.

Several stated the city should have a representative on the council. Moerlein commented, "It's necessary for us to participate in the planning of the city."

charge of the troop's scrapbook. New patrol leaders are Barb Signaigo, Nancy Hodge and Jan E. Etheridge. New assistant patrol leaders are Brenda Roy, Virginia Pyle and Cindy Simkins, a new member of the troop.

Mrs. Doris Votaw, Girl Scout district chairman, explained the four Cadette challenges and conducted a question and answer period.

Carol Lakin and Donna Short gave a demonstration of the childcraft badge they have just completed.

Refreshments were served to the girls and their leaders, Mrs. Lois Hodge and Mrs. Julia Barnes, by Carla Mathis, Virginia Pyle and Carol Jackson.

The Council of Methodist Youth Fellowship of Trinity Methodist Church met at the home of Mrs. Frances Holt, 2105 Garfield avenue, Monday evening.

Plans were made for a hayride Oct. 8, a pie sale Oct. 22 and a Halloween party Oct. 29 at the home of Dr. and Mrs. Leland Holt.

Present were Kathy Murphy, Martha Wylie, Greg Jones, Rev. Clair Clark, Mrs. Joyce Harris and Mrs. Frances Holt.

paste. Once we make the payment, then we can work from the inside to make certain we're properly represented.

The agency, Mayor Partney pointed out, has federal recognition to coordinate major highway planning and also must give its approval before the federal government will approve fund grants to any governmental body within the two-state area. He added there is a possibility the city could use motor fuel tax funds to pay the \$2200.

Objectors voiced concern over another agency having a "say" in local affairs.

He undecided amount of pay increases for the 21 city hall workers remained deadlocked, even though increases were granted to the police, fire and street departments in August.

4% or \$35-50
Last week, a proposal by the Personnel Committee for a 4% increase with added fringe benefits that also would apply to elected officers, was voted down 10-6-5.

It was followed by a counter proposal of flat pay boosts of \$25 to 11 city hall employees and \$10 to 10.

The counter proposal had been recommended by Alderman Boyd, who was not at the Sept. 21 meeting and also was absent Monday. In his absence, the motion was made by Robertson, but deferral action postponed the vote until this week.

The vote was an indication of failing to gain majority support. Prior to the vote, Alderman Fry, a member of the Personnel Committee, said he could fashion no reasoning for the determination of who would get a \$25 raise or the \$10.

"It looks like pick and choose based on personalities or politics or otherwise. The comparison with salaries paid in Belleville doesn't ring true. I double-checked with Belleville and found not only errors in figures but also in the work carried out by employees."

Gives Comparison
Fry cited the various job classifications at Belleville and compared the work assignments and pay with Granite City.

One example he gave was that the switchboard operator at the Belleville city hall is paid \$385 a month, compared to \$325 here. At Belleville, he added, the operator also handles the sale of city licenses, types copies of birth and death certificates and does other clerical work that is done by a deputy clerk in Granite City.

He pointed out the \$25-\$10 increase program would cut the city an added \$4500 a year, while the 4% boost would be \$1500 less.

The counter-proposal would give the \$25 monthly increase to the telephone operator and five clerks and secretaries now receiving \$335 a month, another clerk now receiving \$345, two clerk-typists now paid \$350, the city hall matron who gets \$300 and the painter who receives \$360.

City hall employees proposed for \$10 increases would be the

Pvt. Paul Hornberger Sp4 Hornberger Gets Purple Heart

Mr. and Mrs. Adam Hornberger, 4277 Reveille lane, received word this week that their son, Sp4 Paul Hornberger, 22, a helicopter crew chief, has received the Purple Heart Medal for wounds suffered in action in Vietnam.

Sp4 Hornberger, who was drafted about 1 1/2 years ago, has returned to his unit, the 68th Assault Helicopter Group, after being hospitalized for shrapnel and bullet wounds to his right leg.

He told his parents that his helicopter was moving Infantry troops into action in Vietnam when the plane was hit and he was wounded.

The Purple Heart Medal was presented to him in a recent ceremony. Before being drafted, Sp4 Hornberger was employed at McDonnell Aircraft Corp.

Voting for the \$25-\$10 proposal were Aldermen Nann, Basarich, Bartosiek, Moerlein, Parmley, Robertson, Poulos and Green. Opposed were Rutledge, Whitmer, Johnson, Dallas, Sternberg, Thompson and Fry.

An attempt was made to introduce the 4% plan by Thompson, chairman of the Personnel Committee, but he was disqualified when it was brought up.

The proposal lost at the Sept. 21 meeting by a vote of 10 against and five for. Voting on the prevailing side were Nann, Basarich, Bartosiek, Johnson, Dallas, Moerlein, Parmley, Robertson, Poulos and Green. The losing vote was by Rutledge, Whitmer, Sternberg, Fry and Thompson.

ATTEND WORKSHOP

Mrs. Paul Simon, Mrs. Charles Klug and Mrs. Henry Soehnlin, members of Hope Lutheran Church, attended a workshop Tuesday at the Good Shepherd Lutheran Church, Collinsville.

Theme was "Is God Living in You as a Mother-In-Law?" About 60 women attended the evening session.

Mr. and Mrs. Gerald Bushie Jr. and daughter, Kelly, motored to Florida over the weekend to take his grandmother, Mrs. Leslie Valbert, to her home. She had been visiting her son-in-law and daughter, Mr. and Mrs. Gerald Bushie Sr., 50 Riviera drive, for the past week.

The young couple also visited his grandparents, Mr. and Mrs. Archie Bushie, in Mason, Ill.

MRS. HOMBERT HOSTESS
Mrs. Catherine Hombert was hostess to her pinocchio club Tuesday evening at her home, 2732 Michigan avenue, for a monthly meeting.

Those holding high scores were Mrs. Mary Lou Clausen, first, Mrs. Edith Ryan, second, and Mrs. Irene Willis, third.

A late buffet luncheon was served by the hostess to the prize winners and Mesdames Lorraine McVoy, Junia Rosebush, Harriet Hoff, Bertha Witter and Hazel Rollins.

The club will meet again Oct. 25 in the home of Mrs. Willis, 3143 Wayne avenue.

FAREWELL PARTY
Henry Thomas Maybry was honored with a family party Sunday evening given by his parents, Mr. and Mrs. Henry Maybry, 4804 Warnock avenue, as a farewell party.

He left Tuesday for Fort Leonard Wood, Mo., where he will take basic Army training.

Guests were Mr. and Mrs. Jerry Brown and children, Tanja, Jeff and Randy, of Collinsville, Mr. and Mrs. Joe Maybry and children, Terry and Brian, of Berkeley, Mo., Miss Linda Ford of Greenville, Miss Gloria Stiles of Berkeley, Mike Dillard and Johnny Brake.

Mrs. Louis Thompson, world service chairman, reported baby gowns and cancer dressings prepared during the last meetings of the Quad-City Council of Churches Women, at Central Christian Church Nov. 4.

Mrs. Connie Britton read missionary names for the day and offered prayer.

The meeting was closed with prayer by Mrs. Irma Taylor. Refreshments were served by Mrs.

Sister of GC Residents

Died at Murphysboro
Mrs. Norma Rains, 2210 Dewey avenue, and Mrs. Eva Smith, 2915 Benton street, were in Murphysboro yesterday to attend funeral services for their sister, Mrs. Jennie Born, 62, of Murphysboro.

Mrs. Born died Monday evening of cancer at a Murphysboro hospital.

Arbogast to those named and Mesdames Bea Pyle, Sylvia Cross and Cora Mae Bent and one guest, Mrs. Liza Buchanan.

Next meeting of the circle will be held Oct. 25, when Mrs. Cross will serve as hostess and Mrs. Britton will present the lesson.

Members of the Nameoki Presbyterian Church Evening circle met Tuesday at the church for a monthly meeting, the first of 1967.

Opening devotions were given by Mrs. Edith Arbogast, chairman. Mrs. Fern Mitchell, program chairman, spoke on "Heart of Appalachia."

Mrs. Arbogast presided and announced plans for several numbers to attend the Presbyterial in Belleville Oct. 6.

Trojans, Berkeley Match Up Even; Both Teams Thin In Reserve Ranks

If balance of team personnel they were all playing around this Friday's 8 p.m. encounter at Madison, between the Berkeley Bulldogs and the Trojan Bulls, would be exciting. Both teams, although lacking in depth, pulled out hair-raising victories last weekend. While the Trojans hung on to win by one point from Granite City, the Bulldogs beat Hazelwood 15-12 with nine seconds left on the clock.

Down 12-6 with just 7:30 left, Don Kincaid's Bulldogs pulled off a scintillating three-point reverse, with quarterback Don Nelson finding right end John Thornburgh for a 57-yard pass.

Nelson, after darting through for Berkeley's second TD, found the 175-pound senior Thornburgh again, with a Gateway Arch type pass when only nine seconds remained.

First Berkeley Game
The evidence, from what was Berkeley's first game, seems to back up the observation that Kincaid has a hustling team. This is his eighth year as mentor of the Suburban Small Six Conference which last took the loop school flag in 1961.

"We're a young team," commented Kincaid to the Press-Record. "With mostly juniors, as you can see. But," he added, "this has been one of the most coachable teams I've had here. They're hard workers and they really have hustle."

Madison head coach Glen Pickering, who scouted the Berkeley half-breath victory Saturday, agrees on the hustle part. "This was one of their secrets," said Pickering, "and the other one is the quarterback, Don Nelson."

Trojan Strategy
Pickering made no secret about his strategy for Friday night, when he commented, "We are going to try and bottle this quarterback up and keep him from throwing."

The reference to throwing had a meaningful ring to it, as if Pickering was still thinking about the way Granite City's Steve Conway filled the air at Trojanland with football last Friday night.

He did register a note of criticism about the much-talked-of triple-reverse Berkeley pulled off and about the touchdown pass at the nine-second mark.

Some Criticism
"I think Hazelwood's line just sat there," said Pickering, "while we were really up there."

Madison mentor Kincaid indicated that he will probably use Jack Collins, a 170-pound sophomore, on the linebacking and have Robin Aiche, a 215-pound junior, also in the defensive picture somewhere.

He did not mention wingback Ray Carter, who was part of the three-point victory last Saturday. This only mildly worried Pickering.

"Actually," the Madison head coach mused thoughtfully, "he has other backs, but Nelson did almost all the running. I hope if we bottle Nelson up we have solved their offense."

Only Friday night will tell.

Tricky Twists Likely in PP&K Scoring Totals

Cahokia, a power in every other variety sport, it seems, may be equally strong this year in cross-country. At least Madison tested them and came away believers after a double loss in the Comanche course Tuesday.

In the variety division, the hosts downed Madison 15-45, with a time of 10:42 taking the event.

Madison's top five finishers were: Wilbur Glasper 6th, 11:15; Bruce Davis 7th, 11:16; Nathan Orr 10th, 11:45; Gary Woods 12th, 11:17; and Neil Podoba 13th, 12:24.

The javay score was 17-52 in Cahokia's favor. This course, said Madison coach Earl McClanahan, is about a tenth of a mile shorter than the variety course.

The winning time was 11:15. Madison javay finishers were: Oscar Hampton 4th, 11:41; Don Bunk 10th, 12:19; James Brookshire 11th, 12:45; Charles Progers 13th, 12:52; Will McCun-ralse 13th, 12:52.

Area Quarterback Sees More Action

One break may have caused another kind of break for foot ball warrior alumnus Doug Winfield.

The reserve quarterback at Peru State hit on five of 14 passes for 90 yards against Northwest Missouri State when a broken finger sidelined regular signal-caller Carl Satterfield.

Satterfield is out indefinitely, and his absence could mean additional game mileage for Winfield, one of six Granite City football alumni at Peru.

Others are: Ron Yates, Nick Pettillo, Chuck Mizerski, George Moore and Jim Rains.

Area Racers to Test Nationally Ranked Drivers in Sunday Event

City's Jay Woodsie, who took this \$20,000 purse event this summer.

National Flavor
That Sunday's show is one of IMCA's top events seems fairly certain from examining the final entry list. Names such as Hollywood's Buzz Gregory and Tampa's Frank Riddle give a definite nationwide color to the event.

A number of awards will be made, including the crowning of Grady Wade, Wichita driver, as the 1966 IMCA champion.

Another state fair winner entered is Jerry "Scratch" Daniels, who won in Tennessee over the past weekend. He is now pushing Jim Moughan and only Tom Bigelow, White Water, Wis., 1965 co-Rookie of the Year along with Bill Putterbaugh, who will be here. Duke Cook of Speedway City, Ind., and dozens of other name drivers will stir up the dust in this final IMCA event represented here by Kansas of the year.

TERRIFIC STRUGGLE for point standings looms when Springfield's Jim Moughan, pictured here, battles Jerry "Scratch" Daniels of St. Paul in Sunday's IMCA championship sprint car program at Tri-City Speedway.

1911 MADISON AVE. GRANITE CITY

Warriors, Kahoks at Turning Point As Two-Time Losers Tangle Friday

This time last year Granite City won the state football championship. The Warriors had 367 net yards in the game, while the Kahoks had 241. "Passing is what killed us," said Granite City coach Vergil Fletcher, "as it will again tomorrow at 3:30 p.m. on the Kahoks' field."

The 1965 Warriors had been trampled by Riverview Gardens 21-0 in the opener and had lost the game they played a week later, 26-13, to Madison. On the other hand, the Kahoks had dropped to 0-2 after losing 18-6, thus dashing 20-year-old coach Vergil Fletcher's hopes for his 100th win. Granite City then sank Collinsville 40-0.

Different Situation
But the situation is a little different all the way around this year.

Both Granite City and Collinsville have lost two games. Both teams have sustained injuries to key personnel. Both teams have made costly mistakes.

Quizzed on his outlook for tomorrow night's game, Morrison confessed, "It's a little weird, but we're trying to turn this year."

The defeat to time-honored rival Madison set hard in Warriorville. Normally, awards such as the Chuckles Award, Red Star citations for outstanding play to Quincey, were doled out. Even after losses.

Admits Mistakes
"We feel that we have to go out and earn them against Collinsville," said Morrison. As for mistakes, Morrison, who tutored teams that tried Collinsville his first year here and lost 6-0 in 1964 before murdering the Kahoks last year, freely admitted last week's errors.

"We let a blocked punt and a pass interception beat us at Madison," he said ruefully. "The competition is too tough for us to keep beating ourselves."

Collinsville Coach
Much of the same sentiments were expressed when the new Collinsville coach was interviewed.

"We're both in the same boat," said a philosophical Frank Pitol, hometown Collinsville product in his first season as head coach after four years under Fletcher.

"This game will be a stepping stone for whoever wins it," Pitol forecast. "And I just hope continued, before lapsing into the painful recount of last Friday's 18-12 loss to Quincy."

Passing Problem
Two penalties and a fumble cost the Warriors the game they confessed, still understandably perplexed over the way the Kahoks lost although dominating the game in many departments.

Collinsville had 367 net yards in the game, while the Kahoks had 241. "Passing is what killed us," said Granite City coach Vergil Fletcher, "as it will again tomorrow at 3:30 p.m. on the Kahoks' field."

Warriors Top Maroons 18-7 In Soph Tilt

While their jayvee classmates were playing CBC here Monday night, Granite City high's sophomore gridgers scored an impressive 18-7 win at Belleville.

Scoring twice in the opening quarter, the Warriors got their first TD after a steady drive upon receiving the kickoff.

Later, Jim Rollins capped another penetration of the Maroons' territory with a seven-yard dash across the goal.

"With exceptional defense throughout the game, the Warrior soph continued moving the ball well in the first half. Midway in the second quarter, Rollins broke loose on a sweep to scamper 38 yards for the final TD. An attempt to run over a PAT failed; two extra point kicks had been missed earlier.

Belleville finally lighted its side of the scoreboard with 35 seconds left in the game. An 11-yard pass play connected and the Maroon second-year squad connected on the PAT, too.

Coaches Bob Stegemeier and Tom Wyrostek reported that every boy on the Warrior squad played at least a quarter.

Edwardsville Tops Warriors In Harrier Go

Granite City's Warrior cross-country team took a double defeat at Edwardsville Tuesday, in varsity the Tigers won 49-19, and in javayes, 40-20.

Ed Gerding, with 10:09, won the varsity race. Granite City's five finishers were: Joe Pashea 2nd, 10:28; Gus Schalkham 8th, 10:45; Dave Lomas 11th, 10:55; Richard Hull 12th, 11:05; and Mike Welsher 13th, 11:05.

In javayes, Mark Pashea was barely edged out when he finished at 11:32, one second off the pace. Other Warrior finishers were: Tom Oram 6th, 11:47; Alex Tarpoff 9th, 11:50; Tom Nelher 11th, 11:51; and Dennis McGee 12th, 11:51.

Man in Mishap Charged

Auto driver by Merte A. Nipper, Rural Route One, and Wayne J. Higley, East St. Louis, called at 12:05 p.m. Wednesday at Edwardsville road and Edna street. Nipper was charged with making an improper left turn and was summoned for a hearing by Oct. 20.

Motor Scooter Arrest

Clyde Mize, 16, of 2114 Delmar avenue, who was driving his homemade motor scooter on 22nd street, was arrested at 1:40 p.m. Wednesday on charges of driving without a license and having no title or license plate for the vehicle. He was summoned for a hearing by Oct. 20.

Blowing Motor Fire

Firemen were called to the home of Phil E. Spence, 2336 Cardinal avenue, at 4:35 p.m. Wednesday when a defective furnace blower motor started a small fire. Damage was estimated at \$25.

Bikes Ride on Concrete

Bicycle riders rode over freshly poured concrete and carved initials in it at the National Food store under construction at Madison avenue and Nameoki road between 6:30 and 8 p.m. Wednesday. It was reported at 8:10 p.m.

Plant Equipment

and the project is similar to other in-service training affiliated with the Granite City night school, Supt. Russell D. Johnson told the board. Partial computerization is a part of the current Granite City Steel Co. expansion.

In other business, the board voted to refund an \$15,570 Granite City township tax distribution due the county treasurer. The amount, representing an overpayment from tax collections, includes \$14,121 that will be returned to the school system as part of its final tax settlement. The other \$1755 is a county tax extension fee.

Bids will be sought for action Oct. 17 on builder risk insurance on the Grigaby junior high school site, where excavation has started, and on acoustical tile for the Parkway grade school gymnasium ceiling.

The board authorized attendance by up to five at the American Association of School Administrators meeting in Atlantic City, N. J., Feb. 11-15 and attendance at the Illinois Association of School Boards annual meeting in Chicago Nov. 19-21.

Notice was received that the Illinois Supreme Court has denied a rehearing of the case in which a teacher, Harry Wade, was not placed on tenure several years ago. He is now a New Mexico college professor.

The ruling upheld the school district. Supt. Johnson said community data and lists of desired qualities are being compiled preparatory to seeking a new superintendent. Johnson is to retire in June 1968.

The board hired Mrs. Carole Ann Antles, Charleston, recipient of a master degree in 1966 from Northern Michigan University, as an Emerson second grade teacher.

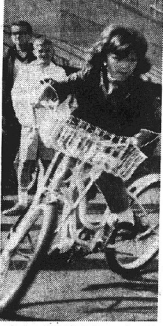

Mrs. Lois Jean Woods, 1860 Poplar street, and Mrs. Gladys H. Campbell, 2 Mercer drive, were hired as cafeteria workers. Bid awards were approved on canned goods, \$37,932; bookstore supplies, \$885; cafeteria equipment, \$427; and mop cleaning, 12-cent per inch of mop.

Bills totaled \$17,893 in the educational fund; \$4065 federal fund, \$16,479 construction, \$1365 transportation and \$1741 building fund.

50th Anniversary Church Honors Fete in Texas

Mrs. R. G. Atchison, 2605 Grand avenue, has returned from Texas where she attended the 50th wedding anniversary celebration of her brother-in-law and sister, Mr. and Mrs. Julius F. Lang, of Brookshire.

The reception was given by a son and daughter-in-law, Mr. and Mrs. Julius W. Lang of Houston, in the Fellowship Hall of the Methodist Church in Brookshire. The couple has been residing in Brookshire since Mr. Lang's retirement.

The hall was decorated with gold and white motif and many friends and relatives called to pay their respects. The relatives included two other sisters, Mrs. Georgia Oaks and Mrs. Fred Schenck, and Mr. Schenck of Kansas City, Mo.

Mr. Lang, a native Grand Cityan, was employed by the Old City Hardware Co. here and later by the Kansas City Hardware Co.

The reception tables were covered with gold satin cloths and the main table held an arrangement of bronze chrysanthemums. The sisters assisted and Mrs. Atchison served the decorated wedding cake.

Amvets Post 51
Auxiliary Meets
Amvets Auxiliary Post 51 met last night at the Post home, 1001 W. Main street. Mrs. Betty Wilkins presided.

The members discussed a recent donation to the Heart Fund and several service projects. Gift packages are to be made up to be mailed to service men in Vietnam.

The meeting closed with prayer by the chaplain, Mrs. Dorothy McElroy. Mrs. Wilkins presided. The hostesses were Mrs. Lila Sanders and Mrs. Jean Murphy, and the "white elephant" was awarded to Mrs. Pauline Wickham.

Others present were Mesdames Charlotte Dault, Agnes Conkovich, Charlene Sanders, Nadine Harrison, Donna Squires and Ann Tucker.

Nameoki PTA Holds 'Welcome'

The Nameoki school PTA held a "welcome" hour Tuesday evening honoring all new parents and parents of the kindergarten students.

Gene Monahan, president, conducted the meeting, which was held in the school cafeteria. The parents were welcomed and introduced as was the school principal, Donald Kopp, who discussed the need for PTA workers and what the PTA does throughout the school year.

Prizes were awarded for a "mixer" game in which 75 participated. Hostesses for the event were Mrs. Lucrécia Wright, Mrs. Arlene Haldeman, and Mrs. Beverly Fox, assisted by several of the room mothers.

Sorority Awards Exemplar Degrees

Theta Theta Chapter of Beta Sigma sorority met Monday evening with Miss Hazel Towery. The chapter has fulfilled the qualifications and the following members received the Exemplar degree: Annabel Zang, Martha Santoro, Ella Edlin, Virginia Johnson and Mary Yavin.

The hostess served as officiating officer and confirmed the degree. Each of the group received a certificate of advancement and the new pin. The chapter also received its new name, Xi Zeta Psi.

The program was conducted by Miss Towery. The next meeting is to be with Miss Zang. It will be guest night. The business discussion was in charge of Mrs. Santoro, president.

Miss Catherine Coe is Bride Of Gene H. Sternberg Jr.

Burning candles in candelabra and bouquets of white flowers on the altar decorated First United Presbyterian Church Tuesday evening for the wedding of Miss Catherine Louise Coe, a daughter of Mr. and Mrs. Eugene Coe, 2501 Cleveland Blvd., and Gene Howard Sternberg Jr., son of Alderman and Mrs. Sternberg sr., 2622 Cleveland Blvd. The ceremony was performed by the pastor, Rev. Dr. David B. Maxton, assisted by Rev. Paul Surbey, pastor of St. John United Church of Christ.

Kenneth MacClatchey presided at the organ and accompanied Mrs. John McCabe Moore as she sang "At Dawning" and "Because."

The bride was escorted by her father. She wore a floor-length gown of white silk blend. Made on Empire lines, it had a lace bodice and sleeves and a flowing panel in the back accented with a bow. She carried a cascade bouquet of gardenias.

The maid of honor, Miss Diane Hadfield of Collinsville, a bridesmaid, Miss Tommy Ann Green, were dressed alike in pale yellow crepe gowns with floor-length coats of gold brocade. They wore yellow flower caps with small veils and held bouquets of orange and yellow baby point poms.

Robert Eckert was best man and Leland Markgraf, David Parrish and Lawrence Todoroff served as groomsmen and ushers.

The bride's mother was attired in seafair green brocade with bone accessories and wore a green orchid corsage. Mrs. Sternberg sr. chose a dress of silver mist peau de soie and accessories of plum velvet complemented with a purple orchid corsage.

The wedding reception was held in the church Fellowship Hall directly after the service.

Both young people were graduated from the local schools, and the bride attended Southern Illinois University before entering Memorial Hospital in Alton for training in the School of Nursing. She plans to continue her studies there. Mr. Sternberg studied at Northern Arizona University in Flagstaff and also at

Past Presidents Are Honored

The Eagles Auxiliary entertained the past presidents of the organization with a party last night at the Eagles Home.

Mrs. Florence Hagnauer served as general chairman, and music was furnished by the Eagles' kitchen band.

Mrs. Margie Hall, president, was in charge of the business meeting during which the committee that visited the county sanatorium in Edwardsville Monday evening submitted a report.

Refreshments were served from tables covered with deep pink cloths and centered with pink rose buds in brass containers. A large pink and white anniversary cake was placed on the altar, and each of the 14 past presidents, as they were escorted, lighted a candle on the cake. All were presented with gifts from the Auxiliary, and the group presented a gift to Mrs. Hall. Mrs. Frances Steinman was awarded the "white elephant" and Mrs. Frank Pasek, the special prize.

Mrs. Faye Briggs served as decorating chairman for the event.

MR. AND MRS. C. T. PARKINSON JR., who were married recently at Chase Air Force Base chapel in Beaville, Tex., where the bridegroom is stationed. The bride is the former Jane Searcy, a daughter of Mr. Gerald Searcy of Beaville. Mr. Parkinson's parents reside at 2708 Madison avenue.

NIEDRINGHAUS SCOUTS PLAN WEEKEND CAMPOUT

Junior Girl Scout Troop 373 sponsored by Niedringhaus PTA met Monday afternoon at the school and completed plans for a three-day camping trip this weekend to Camp Quatoga, Pere Marquette State Park, near Gratiot.

Angela Earls and Margie Lanter were appointed to serve as a troop committee. Other members planned menus to be served during the campout. The meeting was closed with a ceremonial circle.

Attending were Janice Louis, Cynthia Allison, Linda Chism, Lynn Crook, Mary Elna Earls, Linda Kulenkamp, Patty Reinhardt, Dawn Todd, Rebecca Wallace, Elaine Williams, Diana White, Cathy Sims, Paula Tucker, Sherree Cathey and their leader, Mrs. Mary Earls. The troop will meet each Monday.

PRESENTATION CEREMONY Monday at the Granite City Public Library when four federated clubs of Granite City presented an American flag to the library in memory of the late Mrs. Walter F. Coolidge, a long time member of several of the clubs and a past 22nd District president. Standing, left to right—Mrs. Emil Mueller, president of the Bay View Reading Club; Mrs. Rex Niles, who heads the Lesche Literary Club this year; Mrs. Mary Gene Knufinke, librarian; Mrs. James Stuart, chairman of the committee; Mrs. George Coolidge, daughter-in-law of Mrs. Coolidge, who expressed thanks to the clubs; Mrs. W. G. Cooley, president of the Nameoki Women's Club; and Mrs. David Friedman, president of The Ladies Coterie.

Federated Clubs Honor The Late Mrs. Coolidge

About thirty local club women, members of four federated clubs here, the Ladies Coterie, Bay View, Lesche Literary and Nameoki Women's Club, gathered at the Granite City public library Monday for the presentation of a flag to the library in memory of Mrs. Walter F. Coolidge, a long-time member of three of the clubs.

Mrs. James Stuart opened the service and each of the club presidents, Mrs. David Friedman, Mrs. Emil Mueller, Mrs. Rex Niles and Mrs. W. G. Cooley, paid tribute to the deceased member in the name of her club.

Mrs. Mary Gene Knufinke, librarian, received the flag and Mrs. George Coolidge, daughter-in-law of Mrs. Coolidge, thanked the groups.

Mrs. Coolidge, whose membership in several of the groups went back 50 years, had held all offices in the clubs and was also a past Twenty-second District president.

Party Honors Michael York

Michael York, four-year-old son of Mr. and Mrs. Larry York, 1029 Joy avenue, celebrated his birthday at a party given by his parents last night.

Those attending were Terri and Jerry Barnett, Betty Duffield, Susan Ricky, and Donna Wolford, Mary Kay, Randy and a Steven York, Jackie Adams, Craig York, Mrs. Frankie Barnett, Mrs. Wilma Wofford, Mrs. Virginia York, Mrs. Lorene Gipson, and the grandmothers, Mrs. Pauline York and Mrs. Lucy Adams. Refreshments were served.

HULSEYS ENTERTAIN FOR VISITOR

Mr. and Mrs. A. H. Hulse, 2137 Pontoon road, entertained a group of friends at a party and fish fry Wednesday at their cabin at Hardin on the Illinois river honoring an out-of-town visitor, Mrs. Lurona Haggis, of Hannibal, Mo., who has been the guest of Mrs. Mildred Carper.

Beside the honor guest and Mrs. Carper those attending were Mr. and Mrs. Vasil Sotiroff, Mr. and Mrs. Bert Cartwright, Mrs. Paul Pender, Mrs. Esther Langolf, and Mrs. Myra Godel.

SORORITY CHAPTER ENTERTAINS HUSBANDS

Instead of the usual monthly social meeting, the members of Beta Phi chapter of Epistol Sigma Alpha sorority entertained their husbands with a trip to Busch Stadium and the Cardinals-Dodgers baseball game.

In the party were Mr. and Mrs. Hugh Clements, Mr. and Mrs. Richard Hosen, Mr. and Mrs. Gale Cuvier, Mr. and Mrs. Jack Geiger, Mr. and Mrs. Phillip Theis and Mr. and Mrs. Rahdall Sigite.

FORMER RESIDENTS HERE

Mr. and Mrs. Robert Mills and daughter of Rockford, formerly of this city, have returned home after a visit with his brother, J. B. Mills and family, 2104 Cottage avenue, and local friends. They were here for the 50th wedding anniversary celebration last Sunday of Mills' parents, Mr. and Mrs. W. J. Mills of East St. Louis.

Jayceettes Plan For Dance, Party

The Jayceettes met Tuesday evening for a chili supper at the Tri-Mor bowling lanes preceding their monthly meeting. Fall plans were the topic, and Mrs. Kathy Jeffries, vice-president, was hostess and conducted the business meeting in the absence of the president, Mrs. Sally Herbst.

Mrs. Sandy Peterson gave a report on the state board meeting to be held at Rock Island during the next month. The members assisted Mrs. Peterson in making posters to announce the meeting.

The Easter Seal Foundation thanked the club for help given in the form of a letter from the Illinois Heart Association asked the club to participate in its forthcoming program.

Donald Gave, representing local Jaycees, asked the members to assist in planning for a state board meeting and to prepare skits as part of the entertainment.

Mrs. Marge Pennell read a social report and presented plans that have been made to present the Oct. 29 at Tri-Mor. Mrs. Pennell, as chairman, announced that the dance will be held in conjunction with the Jaycees' annual membership drive. Theme is to be "Roaring '20s" and a Diabolo band will provide the music.

Mrs. Jeffries reported on the successful bicycle Road-E-O held last weekend. Mrs. Dolores Siebert summarized a district meeting held in Wood River and outlined major projects.

Mrs. Jeffries was named chairman of the Jayceettes Christmas party. As part of the project, the club members will make blankets in the form of Christmas stockings and decorate them in a holiday theme. These will be given to a mother of a baby born to a local hospital during Christmas week.

Mrs. Evelyn Morris announced there are tee shirts left from the sports jamboree held this summer. The club will decide on the disposition at a later meeting.

Mrs. Liz Day will serve at an immunization clinic at the hospital Saturday and Mrs. Sharon Ritchie will be hostess for the Oct. 13 meeting.

Each couple attending the membership dance will be required to bring a new member in lieu of an admission fee, it was announced.

WOMEN OF MOOSE HOLD MEETING

Women of the Moose met Tuesday evening at the Votowal, senior regent, in charge.

Plans were made for the Star Recorder Chapter night and a past regent dinner Nov. 28, and also discussed were arrangements for the nurses tea Oct. 9 at 2 p.m. The chapter will sponsor a student nurse, Miss Sandra K. Hanson.

Reports of the recent state convention were given by Mrs. Edith Rodgers and Mrs. Marian Lipscomb, who were delegates. There were games for entertainment. Twenty-nine were present.

BRIDE-TO-BE. Miss Brenda Lane, a daughter of Mr. and Mrs. Edward Lane, 2213 Nevada avenue, whose engagement to Edward Burlison, son of Mr. and Mrs. Victor Votaw, of St. Louis, is announced.

Miss Brenda Lane Is Engaged

Mr. and Mrs. Edward Lane, 2213 Nevada avenue, are announcing the betrothal of their daughter, Miss Brenda Lane, to Edward Burlison whose parents are Mr. and Mrs. Victor Votaw, 2675 Dunhill drive, St. Louis. The bride is a graduate of the Granite City high school. Her fiancée was graduated from the Pattonville high school in St. Louis. Wedding plans have not been completed.

LOCAL WOMEN ATTEND STATE CONVENTION

A number of local women, members of the Maude M. Tolleson Philatelic Class of Niedringhaus Memorial Methodist Church, have returned from Mendota, Ill., where they attended an Illinois state Baraca Philatelic convention held in First Baptist Church there.

In the party were Mrs. Emma Schoen, Mrs. Marvel Clover, Miss Geneva Wallis, Mrs. Pearl Campbell, Miss Mabel Stewart, Mrs. Ruth Johnston, Mrs. Julia Dixon, Mrs. Lucy Weaver, Miss Kathryn Van Order and Miss Ella Ray Smith.

NAVY MOTHERS ATTEND HIGHLAND MEETING

Quad-City Navy Mothers 850 were guests of Blue Jackets 940 in Highland Monday evening.

The regular meeting was held, followed by a motion picture of the review at the Naval Station in San Diego.

Mrs. Norma Darnell, a past commander of the local group and Illinois state rules and regulations chairman, discussed the national convention which she attended recently in Philadelphia. Others attending were Della Rabb and Pearl Giffin, past commanders, and Honorary Navy Mother William Bratten, who is "Golden Rodent of Egyptian District 31, National Order of Trench Kids."

SORORITY PLANS COMING EVENTS

Xi Epsilon Chi chapter of Beta Sigma Phi met last night in the home of Mrs. Evelyn Tolliver, 1250 Klein street, Venice.

Plans were completed at the meeting for the Order of the Rose degree which is to be conferred on Mrs. Jane Laule Oct. 12 and an announcement was made of a Belleville area convention.

Mrs. Tolliver, ways and means chairman, and Mrs. Laule, social chairman, outlined plans for the year.

The program, "Who We Are," was given by Mrs. Arlene Halman and Mrs. Laule. The hand-made prize for the evening went to Mrs. Tolliver, and another prize winner was Mrs. Lucille Harper.

Others attending were Mrs. Lora Mae Lombardi, Mrs. Bea Brackett, Miss Ruth Stognoff, Mrs. Marcella Ashford and Mrs. Phillip Tagliaroli.

No man has ever been able to hide from the subpoenas of the court of conscience.

Mitchell 4-H clubs met Monday evening with 32 girls and 12 mothers present. A question-and-answer session was conducted by Mrs. Shirley Schilling on "What is 4-H?"

Various projects and their requirements were discussed. The mothers volunteered to serve as leaders in a project of their preference. Among projects set for the coming year were knitting, foods, sewing, baby sitting and flower arranging.

Girls who wish to join 4-H this year should contact the leader of either club during October. The Junior Mitchellettes will meet in the home of Mrs. Jackie Blackethel on Old Alton road Oct. 10 at 7 p.m.

The Merry Mitchellettes will meet in the home of Mrs. Doris Ferro on Old Highway 67 Oct. 17 at 7 p.m.

All girls are being urged to attend the October meeting when election of officers for the year will be held.

Top Priority to Clean Air

As a witness before Tuesday's hearing, Cairns said in a prepared statement that "members of the Industrial Waste Council agree that individual companies must take responsibility for reducing the amount of air pollution attributed to industry." He added that each industry is giving top priority to air pollution control.

The hearings are sponsored by the East-West Gateway Coordination Council to establish groundwork for uniform air pollution control regulations for the entire metropolitan area.

Will Benefit Community

"The council (waste control) believes," Cairns told the hearing, "that practical and effective controls for industrial emissions as well as for automobile exhaust and all other known sources of air pollution ultimately will benefit the growth and progress of our entire community."

Cairns expressed reservations concerning numerical values recommended for some regulations of the Interstate Study and added that compliance with these values must require a technology that does not exist or would result in a hardship for which their would be no corresponding benefit or advantage for the community.

Admitting that recommended regulations of the study provide for variances or exemptions to certain industries, Cairns said: "We believe that any regulations and numerical values adopted should be orders or rules which industry can realistically plan to meet and not have to rely on variances. Except for some cases that require special consideration, air pollution control should be a matter of law and not of individual judgment."

Critiques Health Section Dr. Eric Cassell, an associate professor of Medicine at Mt. Sinai School of Medicine in New York, whose research work in air pollution effects were used by the Interstate Study, said the study was basically sound but the health section of the study had drawn conclusions from his research that he did not "believe are there."

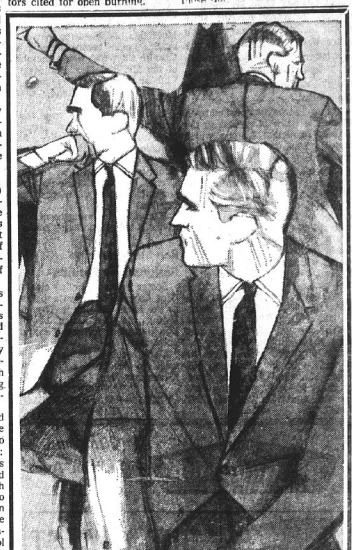

As a witness for the Waste Control Council, Dr. Cassell said he felt the evidence presented concerning the health effects of sulphur compounds "is a gross overstatement."

He said that "numerous studies using man and animals as experimental subjects failed to provide any evidence that sulphur dioxide at levels anywhere near those found in urban atmospheres has any adverse effect."

"My own feeling is that goals

set for sulphur dioxide are unnecessarily restrictive," he said. Meanwhile, the Illinois Air Pollution Control Board is scheduled to meet today in Chicago and is expected to consider testimony of the state. The agenda of the board's meeting includes a discussion of open burning actions, landfill and auto salvage operators cited for open burning.

The state board has been conducting hearings in various parts of the state. The agenda of the board's meeting includes a discussion of open burning actions, landfill and auto salvage operators cited for open burning.

GC to Oppose Changes In State MFT Policy

Granite City council members voted Monday night to oppose a change in policy for the state motor fuel tax program in which cities would be required to pay a greater share of costs through MFT funds for improvements to major roadways within their boundaries.

Mayor Partney was called upon to send a letter of protest to the Illinois Municipal League which is to present them at a committee hearing to be scheduled. Alderman Stenberg, chairman of the Street committee, said little data is available on the proposal, but that he was able to learn from communications with other cities that a city's share of payments from MFT funds for work on primary highways will range from 18 1/2 to 62 1/2 of the total cost instead of 100 to 50%.

"We'll be in trouble if this goes through," Stenberg pointed out, adding, "Especially since we're short of MFT funds and have major projects pending." The city also is to relate its opposition to the Cities and Villages Municipal Problems Commission, which is gathering data on the administration of MFT funds.

Mrs. Katie McClellan, 51-Year Resident, Dies

Mrs. Katie McClellan, 78, of 2701 Iowa street, a local resident for 51 years, died of a five-month illness at 7:30 a.m. yesterday, at St. Elizabeth Hospital. She had been a hospital patient for the past three months.

Born in Greenville, Ill., Mrs. McClellan had lived for ten years in St. Louis before moving to Granite City. She was a member of the St. Elizabeth Hospital, the St. Elizabeth Club and the Royal Neighbors of America. Her husband, Clate McClellan, died in 1924.

Survivors include two sons, Robert F. Gibbons of Granite City and Hollis McClellan, San Antonio, Tex.; two daughters, Mrs. Royal (Thelma) Barney of Granite City and Mrs. Arthur (Vera) Ross of Collinsville; and several nephews, nieces and cousins.

Funeral arrangements are given in today's obituary column.

General Steel Car Unit Gets Chrysler Contract

A contract in the amount of \$1,250,000 for production of fabricated main frames for large heavy-duty fork lift trucks has been received by General Steel Industries, Inc., St. Louis Car Division, it was announced yesterday.

The contract was awarded by Chrysler Corporation Defense Operations Division. Chrysler will build the trucks for use in the field by the Army Corps of Engineers. Delivery of the frames is scheduled for the first half of 1967.

**Madison Men Lose \$200
In E. St. Louis Robbery**

Two robbers, one of them armed with a pistol, held up a grill in East St. Louis early Tuesday morning and took \$46 from the operator and two customers, including Edward Charney, 1216 Madison avenue, Madison.

East St. Louis police said the robbers took \$200 from Charney, \$24 from the grill owner, Thomas Dinan, and \$12 from Herbert Rigney of East St. Louis. The robbery occurred at Dinan's grill.

The improvements include State street from 24th to 28th street, Iowa street from 22nd to 26th street and 20th street from Madison avenue to Grand avenue.

Preparations also are being made for resurfacing Missouri avenue from 20th street to West 28th street, and a n d Spruce street from Chicago street to St. Louis street.

Mayor Partney noted following Monday night's council session that preliminary work already has been carried out even though no formal contract has been signed. "I had hoped the broken curbing along Missouri avenue would be repaired before the resurfacing is carried out. The low bid was accepted by the council several weeks ago.

Council Debates Transfer of School Crossing Guard

Transfer of a school crossing guard system were debated Monday night by Granite City council members who voted 5-4 for the guard to be reassigned to the crossing at West 25th street and Missouri avenue.

Several aldermen refused to vote on the motion, saying they wanted to hear an explanation from the police department's traffic division before making a decision. Those voting no gave the same reason.

A petition bearing over 100 names of parents wanting E. G. Dodd to be reassigned to the Missouri avenue crossing was presented to the council by Alderman Green.

He commented that the mothers wanted Dodd retained because he is familiar with the busy Route 3 crossing and the operation of the school crossing light there. "They also feel the children have confidence in Dodd," Green added.

The guard was transferred last week to the Nameoki and Porton road crossing where a new traffic signal lights were placed in operation. A police department spokesman told the Press-Record the transfer was made to get an experienced guard at a busy crossing where the youngsters are unfamiliar with the new system.

Green said Monday night that because of the dangerous curve of the highway coming into the school crossing, an experienced guard is needed at West 25th street.

Mayor Partney advised council members that assignment of school crossing guards has been delegated to the police department. He pointed out that even with the added precaution there have been several serious accidents at guard locations.

In reply, Alderman Partney said, "Yes, and you don't know how many lives the guards have saved."

Many Partney said he would take up the transfer with the police department.

LEAVES FOR GERMANY

Specialist-five Kenneth Thomas, who visited Marshall school last week to lecture on the various countries he has seen, left Sunday for a two-year Army tour in Germany. He will be stationed in the Bavarian Alps.

He had been visiting with his parents, his wife and their two children, David and Leann, will reside with his parents, Mr. and Mrs. Charles Thomas.

Mr. and Mrs. Ervin Mueller had as weekend guests their sons, Ervin, a Purdue University student, and Frank, a student at the Missouri School of Mine, Rolla.

They were here to attend the wedding of a cousin, David Mueller, by Ruby Bierschwal, 2644 Highway 67, collided with a vehicle driven by Emory A. Wilson, 2755 ler. Both left Sunday to return to school.

Fugitive Arrested Here By Sheriff's Deputies

Clifford Rice, 20, of Granite City, who had been listed as a fugitive after pleading guilty to a burglary charge, was arrested this week at August and East 24th streets by sheriff's deputies and is being held in the Madison county jail for a hearing.

He was charged with a burglary last November at the Gardner market, 2257 Illinois avenue, and failed to appear for a probation hearing which is pending.

Accident at Alley

While turning left from an alley onto Leonard street behind Buxton avenue, an auto driven by Ruby Bierschwal, 2644 Highway 67, collided with a vehicle driven by Emory A. Wilson, 2755 ler. Both left Sunday to return to school.

Typhoid is down for the count in America. The disease occurs so infrequently that few American doctors will ever encounter it in a lifetime of practice. Such was not always the case. At the turn of the century deaths from typhoid, usually caused by contaminated water, were running at about 100 for each 100,000 population. Today the rate is less than 1 per 100,000. Modern methods of water treatment and distribution have contributed to this remarkable record. We are indebted to the many devoted men and women who have made the science of public water supply what it is today, and in so doing have made our country a healthier, better place in which to live.

MORE ABOUT

John L. Barron

In the Coast Guard, 13 years of which were out of the country. During world war II he was attached continuously on a number of ships, on three of which he was commander, for a total combat period of 44 months.

Reared in Clarksville, Mo., but was reared in Clarksville, where he graduated from elementary school and high school. He attended one year of college at Westminster College in Fulton, Mo., but was forced to discontinue to go to work. He worked six years with Kroger Co. as a clerk, then as assistant manager and finally as retail manager. He worked for LaCrosse Lumber Co. as assistant manager at Clarksville for 10 years. In 1941 he accepted a commission as ensign in the Coast Guard, gaining the rank of lieutenant by competing in a nationwide examination.

Barron gained extensive knowledge of the land and sea areas of the East, West and Gulf coasts, and the inland river ports of the United States as a result of his military career. He received a number of commendations and citations for work as an operational control officer during major disasters, including floods and explosions. He sent into the Washington Park area in St. Louis to rescue stranded residents during a flash flood in the late 1940's.

Following his retirement from the Coast Guard due to a medical discharge, Barron joined the Port District only a month after the Illinois General Assembly had approved formation of the district in July 1959.

At that time the district had no office and no operating facilities. Through Barron's guidance, the district, by 1964, had secured enough contracts with private firms to justify a \$750,000 bond issue to install rail lines for operation by the Illinois Terminal Railroad and other facilities for handling and storing liquids.

Promoting New Issue

Within the past year, Barron had negotiated contracts with additional clients of the port district and he was working out details of another major bond issue at the time he was stricken. With proceeds from that issue, Barron planned construction of additional port facilities that would have brought the district enough revenue to assure its independence from state subsidy within the next two to three years.

Barron spearheaded a four-year program in which five utilities and railroads bought up 900 acres of land in Nameoki and Chouteau townships to form one of the biggest single land purchases for Industrial Park Development known anywhere in the nation. Final acquisition of the land was announced early this year.

As manager of the Port District he maintained a contact with industrial and port facilities throughout the nation. He was a member of the National and Harbor Congress of Washington, D.C. Following the election of Gov. Warren Hearnes of Missouri, Barron was appointed by the new governor as Missouri State Director of Emergency Water Transportation to continue an appointment made earlier by former Gov. Dalton.

Served Other Ports

He was a member of the Business Advisory Council of Southern Illinois University, a member of the resolutions committee of the Propeller Club of the Port of St. Louis and a director of Region Two, Mississippi Valley Association. He also was a member of the National Waterway Conference, Inc., of Washington, D.C., and a member of the river and harbor committee of the Chicago Association of Commerce and Industry.

He held membership on the board of Illinois Metro-East Industrial Development commission. He served as consultant to the Shawneetown Regional Port District of Shawneetown, Ill., to the Calhoun County Navigation District of Port Lavaca, Texas, the Industrial Park Development at Dubuque, Iowa, the Peoria Regional Port District of Peoria, Ill., and the Little Egypt Port District in Randolph county, Ill. He served as a representative of the Water Carrier Industry on the Transportation Task Group of the Missouri Emergency Resources Planning Commission.

In addition to his wife, Mrs. Mary A. Barron, he is survived by two daughters, Mrs. Mary Kay Sutton, a Morris, Ill., school teacher, and Mrs. Linda J. Underwood, a student at Missouri University at Normandy. He also leaves his mother, Mrs. Cora Dodge, a sister, Miss Leota Barron, and a brother, Charles A. Barron, all of Clarksville. Funeral arrangements are given in today's obituary column.

Midwest Showing of Case Equipment Here

Lakeview Equipment Co. was host Monday to 75 Illinois, Missouri and Kentucky equipment dealers for midwestern U.S. introduction of the new J. O. Case Co. line of construction equipment. Featured were three all-new models of backhoes and loaders.

After the equipment was exhibited, films explained details of major improvements. Demonstrations in a nearby field followed. Initial production of the new units is currently being allotted to dealers in this area, and several of the new machines were placed on display at the Lakeview firm on Highway Three.

Case Co. officials present stressed the advanced design and engineering innovations of the construction equipment.

W. J. Mehl Nominated For Masonic 33rd Degree

William J. Mehl, 2264 Benton street, is one of three members of the Mississippi Valley Consistory nominated to receive the Masonic 33rd Degree. It was announced today. Notice of the nominations was received by Consistory officers from Boston. The degrees will be awarded next year in Pittsburgh, Pa. Mehl is associated with the Maryland Real Estate and Insurance Agency in Granite City. Other nominees are Ralph Green of Belleville and Chester A. Taylor of East Alton.

Jury Trial Underway For Eagle Acres Man

A jury trial for Kaseell Jennings, 25, of Eagle Park Acres, charged with armed robbery, was under way today at St. Clair county circuit court in Belleville. He is one of three men charged in the holdup of an East St. Louis restaurant. The other two are not being tried now.

MORE ABOUT

Bandit Robs

\$138. The burglars also hauled away 24 quarts of whisky according to David Jones, co-owner of the tavern who reported the theft at 3:45 a.m.

Entry was gained through a rear door where the latch had been pulled loose. The loot included \$73 in bills and change, taken from a cigar box, \$35 in rolled change and an additional \$30 in bills and change.

Police officers on patrol at 4 a.m. Wednesday found that the front door to the West Side Tavern, 1034 West 20th street, was forced open. It was determined that \$536 were taken from the cash register, the pinball, juke box and cigarette machines were forced open and the telephone was taken from the wall.

School Office Entered

Wade James, principal of Dunbar school in Madison, reported Tuesday morning that the school office was entered between 6 p.m. Monday and 8 a.m. Tuesday, \$15 in cash stolen and contents of desks scattered about.

Police reported there was no indication of forced entry and it was believed that the thief may have been locked in the school Monday evening. James told police that drawers in the desks were pulled out and the contents were thrown about and \$8 in pennies

and \$7 in one-dollar bills taken. Theft of an electric sander from his parked car was reported to police Monday by Michael Shambro, 1827 Spruce street. Shambro told police the sander, property of American Rental Co. was stolen while his car was parked in front of his home.

A suitcase of clothing and a .38 caliber revolver were stolen Monday afternoon from the truck of Robert Yamamoto, Medina, Ohio, while it was parked in the Leeway Parking lot at Fifth and State streets in Madison. Yamamoto told officers that he purchased the gun only a few hours before the theft, which occurred between 2:30 and 6:30 p.m.

Self-sympathy is a super highway that leads only to misery.

Attorney Challenges Federal Jury System

A motion to dismiss a criminal charge in U.S. District court in Alton on grounds that federal grand and petit juries in the Southern Illinois district are improperly drawn has been filed by William Schooley, Granite City attorney.

Schooley seeks dismissal of a federal indictment against his client, Gary Johnson who was arrested Aug. 25, 1965, in Mitchell after allegedly transporting a stolen car from St. Louis. Johnson had been scheduled to go on trial yesterday.

The motion, filed with Federal Judge Omer Poos, states that the veniremen are chosen in Springfield under a suggestion system that raises the qualifications above that prescribed by law, and fails to give a true, residential cross-section of jurors drawn in proportion to population distribution.

He charged the grand jury that indicted Johnson last Jan. 6 was improperly impaneled and the indictment therefore should be dropped.

Driver Faces 2 Charges

George Maykopp, 1427 Washington avenue, was arrested at 6:10 p.m. Wednesday in the block of Washington avenue on charges of driving while his license was revoked and driving while intoxicated. He was held in the city jail and a hearing was set for Oct. 7.

MORE ABOUT Two Killed

Allen Bosworth and Frederick Eldon Bosworth, both of Madison, three sisters, Mrs. Charles (Veronica) Kosek, Miss Beverly Jo Bosworth and Miss June Elizabeth Bosworth, all of Madison; his maternal grandparents, Mr. and Mrs. Fred Plebanek of Granite City and his paternal grandfather, Benjamin H. Bosworth of Madison.

Mr. DeYong was married earlier this month to the former Miss Donna Kay Rhoads, a cousin of the Bosworth boy and the daughter of Madison Fire Captain and Mrs. Eldon Rhoads. DeYong had been employed as a clerk by Terminal Railroad until a few weeks ago. He was born in Carbondale, Ill., and was a member of the Free Methodist Church, 22nd and State streets.

Surviving, besides his wife and parents, are a brother, Stephen W. DeYong of Madison; and his grandmother, Mrs. Sarah Vaughn of Anna, Ill.

The Bosworth youth is a construction worker in the Quad Cities.

Funeral arrangements for the Bosworth and DeYong youths are given in today's obituary column.

Driver Hurt, Charged In Three-Car Mishap

Donald L. Valencia, 22, of 1394A Niedringhaus avenue, was injured when his auto struck another owned by the Proctor & Gamble Co., which was parked at 2639 Madison avenue at 1:50 a.m. today. The company car was shoved into another parked auto owned by Neil Ebersold, 2639A Madison avenue.

Valencia was taken to St. Elizabeth Hospital where he was treated for abrasions to the right knee and contusions to the right chest and was released. He was charged with careless driving.

St. Louisian Arrested

Curley L. Collins Jr., St. Louis, was arrested at 12:55 p.m. Wednesday at 23rd street and Madison avenue on charges of having no stop or tail lights on his vehicle. He was summoned for a hearing by Oct. 20.

GC Park District Begins Planning For Annexations

Granite City park district commissioners launched an annexation study at last night's meeting.

Only in the most tentative stages now, the plan is to bring into the park district all areas not in the park district that are inside the city limits, such as Devon Hill and Dream Villa subdivisions. Maps are being prepared.

Problem at Risk

In another major development, it was discovered that still one more underground obstacle exists involving the new ice rink and recreation area.

Project Architect Henry R. Gabriel said the installation of a sanitary sewer has been halted due to obstruction of a 12-inch water main in Fehling road.

"The main," said Gabriel, "is located exactly in the middle of the street, dead center in the path of our proposed sanitary sewer line."

"At the time of the original plans for the rink we inquired as to the location of this main," Gabriel said, "and the water company could not pinpoint it."

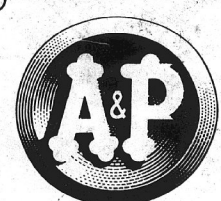

The commissioners were given two alternative plans for solving this latest roadblock. One would be to negotiate with the utility for a cooperative cost arrangement on relocation of main. Such cost would be in the neighborhood of \$700, Gabriel said.

The other is to tie the rink and recreation area sanitary sewer on to the existing manhole near the swimming pool valve. The cost here is estimated at \$400, but other considerations exist. New sewer line plans would be needed.

The board is planning an immediate meeting with a utility spokesman.

Other than the sanitary sewer stalemate the rink is reported progressing well, Gabriel said.

People who win success by practice haven't time to preach.

Two Held to Grand Jury in Liquor Theft

Two men who Venice police claim were involved in the attempted theft of a large quantity of liquor from Garrett's tavern in Venice Sunday night were bound over to the grand jury Tuesday afternoon when arraigned in magistrate's court in Granite City.

Vernon Adams, 31, of 820 Jefferson street, West Madison, signed a statement in which he admitted his part in two separate thefts at the tavern on the same night and implicated three other men. One of the three, Predester Arron, 22, of 46 Lee Wright Homes, Venice, was arrested at his home on evidence given by Adams.

Police went to the tavern at 10:30 p.m. Sunday in response to a call from the tavern operator. As they arrived, three men ran away from the rear of the tavern, but Adams stopped when police fired a shot at him. The other two escaped. Police found three cases containing 73 half-pints of whiskey hidden in the alley and in a weed patch. Adams admitted participating in that theft after joining two other men earlier Sunday night in the theft of five fifths of whiskey from the same store-room. Both Adams and Arron were released pending grand jury action.

Three Granite Citizens To Perform in Opera

Three Granite Citizens, Lols Bilberry, June Branding and Raymond Voorhes are in the cast and chorus of a production titled "Opera Showcase" to be presented tomorrow night by the Mississippi Valley Opera Company. The show, which includes musical arias, duets and scenes taken from operas, will be presented at 8 p.m. tomorrow in the fellowship hall of the First Presbyterian church, Fourth and Abby streets in Alton.

Two I.O.O.F. Lodges Combine To Better Serve Community

The two oldest fraternal organizations in Granite City, Six Mile Lodge No. 87 and Granite City Lodge No. 852, International Order of Odd Fellowship, combined forces Tuesday night and retained the name of the older lodge—Six Mile Lodge No. 87. Meetings will be held at the 104-year-old Six Mile Lodge building located at 3306 Namekook road.

Earl Wright, recording secretary, said the lodges combined for financial reasons and to better serve the community. The Granite City lodge has been meeting at the Six Mile Lodge building since its hall at 20th and Grand avenue was torn down and converted to a parking lot. Newly-elected officers represent a proportional number from both lodges. They are: Lowell Allison, noble grand; Ronald Coleman, vice grand; Earl Wright, recording secretary; Louis Wille, financial secretary; Raymond Yackel, treasurer; John Schilling, warden; Carl Barr, conductor. Walter Smith, right supporter to noble grand; Phillip Morrison, left supporter to vice grand; Jesse Gibson, left supporter to vice grand; Lloyd Patterson, right scene supporter; Donald Mayberry, left scene supporter.

MRS. CAROL DELALOYE
HONORED AT SHOWER

Mrs. Carol Delaloye was honored Sunday afternoon with a cradle shower given at the YMCA by Mrs. Diane Smith and Mrs. Martha Bushue.

Decorations were in pink and blue and a large paper cradle was the centerpiece on the gift table.

The guest tables were covered with white tablecloths and pink and blue crepe paper streamers down the center. Centerpieces were a large stork and a miniature cradle. Favors were hand-made pacifiers, tiny paper diapers filled with mints, and pink and blue kimonos with a printed thank you poem signed "Baby Delaloye."

A buffet luncheon was served, and arrangements of fresh-cut roses were placed on each end of the table.

Games were played and several were prizes awarded, followed by the honoree opening her gifts.

Guests attending were Mesdames Kathleen Murphy, Katherine Delaloye, Mary Lou Hauerline, Chester Burkley, Dorinda Dorch, Roger Bassarich, Donald Cathy, Bill Hughes, Ernie Hubbard, Jerry Medlin, Virgil Mercer, Beulah Miller, Pearl Young, Petrillo, Ed Watts III, Ralph Abrams, Arthur Perkins, Karmyn Wagner, Monroe Davis, Marcelline Jung, Rosette O'Toole, Sam Andria, William O'Toole, Ann Loftus, Mary Higgins, Bonnie Hurd, Mary Rita Kientzel and Rose Mont and Misses Handi Bischoff, Barbara Haneline, Patty Murphy, Maureen Mathenia and Linda Beadle.

SURGERY PATIENT

Mrs. Linda Schinner, 1701 Moro avenue, entered St. Elizabeth Hospital Monday to undergo knee surgery. She is in room 210 and will be a patient there for about a week before returning home.

MRS. BISCHOFF HOSTESS TO CHURCH CIRCLE

Mrs. Helene Bischoff was hostess Tuesday evening to the Every Member Busy circle of Nameoki Methodist Church in her home, 1603 Ames avenue.

The program was entitled "Dynamics of Dialogue" and was presented by Mrs. Vivian Gibbs.

A business meeting followed, conducted by Mrs. Irene Pierce, chairman. She announced that World Community Day, sponsored by the Quad-City Council of

Church Women, will be held Nov. 4 at 7:30 p.m. at Central Christian Church.

The next meeting will be held Oct. 25 in the home of Mrs. Jane Patton, 2510 Terrace lane. Mrs. Ruth Hancock closed the meeting.

The hostess served refreshments to those named and to Mrs. Mildred Naney and Miss Jane Elkins.

PANTRY SHOWER GIVEN BY ALTAR SOCIETY

A pantry shower for the Nuns at St. Elizabeth Catholic school was given by the Altar Society Tuesday evening in the school cafeteria, preceding a monthly meeting. Approximately 75 women attended and were given an opportunity to meet the teachers.

Mrs. Lillian Turk, president, conducted the business meeting and opened it with prayer.

Mrs. Turk announced a trip by car to the Mt. Providence Mother House Oct. 16 at 1:30 p.m.

Two events to be held jointly with the Holy Name Society were discussed and plans were completed. The first will be the annual Christmas parish party at Augustine's in Belleville Nov. 26 at 6 p.m. The second will be a dance in the school cafeteria on Feb. 5 for families in the parish.

Mrs. Frances Robbers, guest speaker, discussed the school's health program as the topic for the meeting. The Madonna gift was awarded to Mrs. Virginia Ostich and a prize went to Miss Juliana Hodebeck's class for the most mothers present.

Refreshments were served by a committee, with Mrs. Emma Jakich serving as chairman.

Next monthly meeting is scheduled for Oct. 25 and will be a wig party.

CANASTA CLUB MEETS AT TUCKER REESTS

Mrs. Vella Mae Tucker was hostess to her canasta club for a semi-monthly meeting Tuesday evening in her home, 3169 1/2 avenue.

Those excelling in the card games and winning prizes were Mrs. Carmen Allen, first; Mrs. Marie Naeve, second; Mrs. Mary Hogan, third; and Mrs. Becky Parish, floater prize.

The hostess served sandwiches, dessert, and coffee to those named and Mrs. Verlyn Vollmer.

Mrs. DeArle Smart will enter the club for the next meeting.

ing Oct. 11 in her home, 3217 Rodger avenue.

HOMEMAKERS LEARN DECORATIVE CRAFT

Mrs. Clara Schilling was the instructor for a class on "Decorative Tincan Craft" Tuesday at Mt. Zion Baptist Church.

The class was attended by representatives of each of the three Home-maker units of Granite City. During the all-day session, Mrs. Schilling presented the three distinctively different types, which are also the basic designs to be made from tincan lids.

The first item was made from a small lid and was a star medallion to be used as a Christmas tree ornament or wall decoration; the second medallion was a prepared from a large coffee can lid, and the final one was made to resemble an angel. From these designs, many varieties can be made for holiday decorations or for home interior designs it was noted.

Attending from the Trio unit were Mrs. Benjamin Forshee, Mrs. Preston Ridings and Mrs. Ed Graklanoff. Isabel Bevier members included Mrs. Nelson Rees, Mrs. Fred Hubert and Mrs. Charles Hickman.

Members from the Granite City unit, host unit, were Mrs. Rufus Ramsey, chairman, and Mrs. Adolph Gruber. Mrs. Robert Carroll, Mrs. F. G. Stephens, Mrs. Howard Cline and Mrs. Virgil Travis.

GIRL SCOUT LEADERS NEIGHBORHOOD MEETING

The first meeting of the 1966-67 year of the Juliettes of Neighborhood Five was held Tuesday morning at the Nameoki Presbyterian Church.

Mrs. Arline Brinkmeyer, retiring chairman, conducted the meeting and led the group in giving the Girl Scout Promise in unison. A discussion was held on a successful day camp conducted this summer.

A council meeting will be held Oct. 5 in East St. Louis and the group will propose Mrs. Joyce Siskorski as new chairman of Neighborhood Five.

A basic leadership training course will be conducted at Camp Patricia in Glen Carbon on Oct. 4, 6, 11 and 13 from 9:30 a.m. to 2:30 p.m. on each of the dates.

Other dates of interest announced by the chairman included a recognition dinner Oct. 18 at the Madison recreation center, with reservations to be made by Oct. 14, and the Dec. 4 annual "Festival of Giving" at Granite City high school from 2 to 3:30 p.m. Leaders of Neighborhood Five will provide the festival program.

Policies of the council were discussed. Cake and coffee were served to Mesdames Jo Ann Colter, Margaret Cockrell, Marge Mason, Lucricta Wright, Mickey

GC Police Receive 927 Complaints in One Month

The Granite City police department answered 927 complaint calls during August, an increase of eight over the number received in July, according to a report prepared by Chief of Police Raymond Willard.

Of the complaints, actual offenses totaled 129, of which 25 cases were cleared, according to the report. This was 15 fewer offenses than during August 1965 and two fewer than in July.

The detective bureau conducted 57 investigations and interviewed 399 persons, while the previous month there were 47 investigations and 384 interviews.

Actual offenses included one murder which was cleared; 37 burglaries, none cleared; three cases of aggravated assault, one cleared; 11 cases of larceny over \$50, one cleared; 61 cases of larceny under \$50, one cleared; 14 stolen autos, three cleared; and 17 miscellaneous cases cleared.

There were 309 arrests, 74 fewer than in July, with 341 charges, or four fewer than the previous month.

The department received reports of 123 traffic accidents, five more than in July, and 31 personal injury accidents in which 45 persons were injured. There was property damage in 92 of the accidents.

FORD THUNDERBIRD for '67—Ford introduces this 4-door Landau model. The styling on this model is markedly changed from last year's model. Features include ventless side windows and retractable headlights. This model, along with others, will go on display tomorrow at B. E. Hohlt, Inc., 1837 Madison Avenue.

67 Fords Go on Display Tomorrow at B. E. Hohlt

Besides restyling and the addition of many luxury items as standard equipment on all Fords, many safety features have been built into 1967 models that go on display tomorrow at B. E. Hohlt, Inc., 1837 Madison Avenue.

Standard on all Fords is a dual braking system, operated by the conventional single pedal, which has twin master cylinders. In the event of one cylinder failing the other provides braking power. B. E. Hohlt, local dealer said. A warning light on the dash indicates when there is a loss of hydraulic pressure.

He added that other standard safety features included padded windshield pillars, a seat belt reminder light, emergency flashers, back-up lights, safety door latch and hinges, remotely-controlled outside mirror and two-speed windshield wipers.

"All our models have been restyled for '67, the LTD has a new roof line, the Falcon has a Mustang look to it, the Fairlane has tail lights divided by back-up lights, the Thunderbird has markedly changed and the Mustang has a sportier appearance," Hohlt said.

He added that the Mustang for '67 will have a two-inch wider front and rear tread for improved handling.

"We also will offer the new engine combinations, like the 225 hp 289 CID V-8 optional engine for the Falcon, which offers a new dimension of performance to the compact car," the dealer added.

"The LTD, like all the Fords, is even more quiet this year than last," Hohlt said. He added that the '67 Thunderbird used a different method of assembly—a body on frame method, as compared to last year's unitized body construction. He said this would make the Thunderbird more "solid" and quiet.

The dealer said that the Ford Fairlane has been revamped in both body styling, and engine, drive combinations.

"Of course the new Thunderbird will offer both two and four door models this year—the Thunderbird has been restyled, but still retains the Thunderbird look," he said.

Electric Heat Approved For GC Sewage Plant

Granite City's new sewage treatment plant at the Army Depot will be heated by electricity, Granite City council members decided Monday night after learning Illinois Power Co. will provide the units without charge.

Mayor Partney suggested the use of bottled gas would be cheaper, even though the city enjoys a low electricity rate. The city would be charged about \$15,000 for installation of a gas line to the treatment plant, but a refund is possible at a time when the depot switches to gas fuel.

Alderman Moorlien, chairman of the Treatment Plant committee, said he received the offer from the power company for the free units.

Chase Operating Engineers In other business involving the treatment plan, the city was advised by Everett N. Enead, counsel.

Expense Allowances On City's Bill List

A \$2,659 bill list and \$43,174 half-month payroll were approved by Granite City council members.

Expense allowances on the bill list were \$30 each for Aldermen Bartosik, Basarich, Boyd, Dallas, Fry, Green, Johnson, Menn, Parmley, Poulos, Robertson, Rutledge and Whitmer for September and \$30 for a Parmley for August.

The mayor's September expenses amounted to \$282, and there were \$50 auto allowances for Police Chief Willard, Street Supt. Warfield, Building Inspector Orville Deltour and Delbert Langher, city maintenance men.

Detective Joseph Nemeth was given a \$50 allowance to attend the University of Illinois Auto Theft Conference yesterday and today.

Major payments on the list were \$10,225 to National Disposal Service for September trash and garbage collections, and \$2440 to Research Planning & Design Associates for engineering services on special improvement projects.

A payment of \$32,760 motor fuel tax funds for the city's share of work on Maryville road was made to the county.

Sewage Charge Applies To Vacant Buildings

Unless an amendment is authorized, owners of vacant houses or buildings will be required to pay sewage treatment fees to the city, the Granite City council was advised Monday by City Atty. Allen.

The ruling was requested by Alderman Basarich, who said he had several places in the Fifth Ward that were unoccupied and the water turned off.

Allen stated that the sewage treatment ordinance contains no provisions for cancelling the charge of 90 cents a month for a vacant house. He told council members it would be a difficult job to verify vacancies and to determine when to resume billing once the structure is occupied.

"It could take a lot of time and cost a lot of money," Allen said.

Street Light Contract Under Study by GC

Approval of a 10-year contract renewal with Illinois Power Co. to provide street lighting service in Granite City was delayed by council members Monday night to determine a cost figure for relocation of street lights.

In a list of 17 new street lights approved for installation, there was one relocation; and it was noted a number of lights will have to be relocated when Federal Aid Route 151 goes through the city.

The contract proposal was placed on first reading.

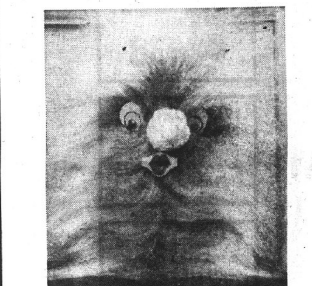

Street light installations approved Monday night are—At 1859 Spruce street, 4210 Maryville road, 2807 Benton street, 1306 Rhodes street, 20th street and railroad tracks in front of a tavern, over the sewer lift station on Maryville road at the city limits and at 2649 Delmar avenue.

Addresses for street lights to go in alleys are—1820 Spruce avenue, 1222 Meridian street, 1858 Poplar street, 2932 Quincy street, 1342 Twenty-seventh street, 2127 Dewey avenue, 2638 Grand avenue and 2818 Denver street.

The light at 2624 Center street is to be relocated at 2618 Center, and the council voted to increase the lumens for two lights from 4000 to 6000 at 2716 Iowa street and at 2135 Benton street.

Kiwanis Peanut Sale Tomorrow, Saturday

The Granite City Kiwanis completed plans for their annual peanut sale to start at 10 a.m. to the two-day sale, Alvin Gross tomorrow and all-day Saturday. Assignments were allocated and teams organized at a meeting earlier this week.

About 20 Kiwanians, assisted by their wives and 13 members of the club-sponsored midget

baseball team will be in strategic places in the community during the sale. The Kiwanis project chairman, announced. Teams will be stationed in the downtown business area, the Nameoki Village and Bellemore Village shopping centers, and in the vicinity of the First National Bank in Madison.

programs in the Quad-City area. In recent years, a portion of the funds donated in the annual sale was presented in the form of a scholarship to the Granite City Association For Aid to the Retarded. Grants were used in aiding a teacher who plans to specialize in the field of exceptional children, Gross explained. Kiwanians will offer the peanuts for sale between 10 a.m. and 9 p.m. tomorrow, and 10 a.m. and 6 p.m. Saturday, the chairman said.

A fall quarter enrollment of 5787, an increase of 8.47% over 1965, was announced today by Eastern Illinois University, Charleston.

Included in the all-time high enrollment are 3047 men and 2740 women.

Of the total 2014 are freshmen and 263 are in graduate school. The enrollment shows an increase of 432 students over the last fall quarter.

EIU Marching Band

To Play in St. Louis

The marching band at Eastern Illinois University, Charleston, will perform before the game and at half-time of the St. Louis Cardinals-Dallas Cowboys game Oct. 16 in St. Louis.

The pregame show will start at 12:30 p.m. At the half, the band will parade the field and stage ballgame and company front drills.

Slavic Film Festival

Scheduled at SIU-SW

A "Slavic Film Festival" featuring a series of six movies all in the original language with English subtitles will be shown during the 1966-67 school year at the Southern Illinois University-Southwestern Campus. The films, free to the public as well as students and faculty, may be viewed at the Lovejoy Library auditorium.

"Boris Godunov," a 1954 Russian film, based on Moussorgsky's opera, will be the first presentation, slated for showing at 12:30 a and 7:30 p.m. next Thursday. Others include "The Ninth Circle," a Yugoslav film, Nov. 3, a 1961 Academy Award nominee; and "Janosik," a Czech film made in 1938, based on an 18th century Robin Hood, on Dec. 8.

SIU-SW campus administrators report the Slavic Film Festival was initiated in part due to the campus' location in the midst of many Czech, Slovak, Polish, Russian, Bulgarian, Croatian, Serbian, Slovenian and Ukrainian societies, churches and fraternal unions.

Other films, scheduled to be shown, include a Polish movie, "Young Chopin," depicting the life of the composer between 1825 and 1850, on Jan. 15; "Sun and Shadow," a Bulgarian film made in 1961, a love story set on the shores of the Black Sea, Feb. 2; and the final offering on March 2, entitled "And Quietly Flows the Don," a Russian film adapted from Nobel Prize winner Mikhail Sholokhov's novel about the lives of a family of Don Cossacks during world war I.

SIU Opens Infirmary

At Carbondale Campus

Southern Illinois University Health Service has expanded to include a 12-bed infirmary staffed by five licensed practical nurses and eight full-time and three part-time physicians to care for the 19,000 students on the Carbondale Campus.

Robert C. Waldron, assistant administrator, said the infirmary will have a 24-hour emergency room and ambulance service, and complete x-ray, laboratory, pharmacy and clinical facilities.

Clinical services are provided free to all students who pay the University activity fee, while a small fee is charged for the use of the infirmary's drug and emergency services, Waldron said.

Homecoming at GCHS to Feature Rock and Roll Singer

The hilarious musical comedy, "Bye Bye Birdie," which spotlights the amusing antics of the teenage crowd with the arrival of a popular rock 'n' roll singer in their midst, is the 1966 homecoming play to be presented by the Granite City high school speech department at 8 p.m. next Wednesday and Thursday in the auditorium.

As in past years, the play will be highlighted with the crowning of the 1966 Homecoming Queen and her court.

Other activities planned for the homecoming weekend, include continuance of the annual football rivalry between the Warriors and the Alton Redbirds, set for 8 p.m. Friday.

Sparking the contest will be a bonfire and pep rally at 6 p.m. Thursday, when Warrior coaches and football players will be honored.

The all-school bonfire rally will be staged on Wilson Park's No. 2 baseball diamond, with the annual homecoming dance, slated for immediately following Friday night's game in the girls' gymnasium.

Large chrysanthemum blooms, pins and shakers again will be sold by members of the speech department.

Queen Candidates

Members of this year's queen's

court, from whom the Homecoming Queen and her ladies-in-waiting will be selected, include Mary Beresky, Alice Cross, Vicki Duncan, Kay Hayes, Jane Johnson, Candy Jones, Katie Kaseberg, Connie McGovern, Colleen Robertson and Sherry Talley.

Escorts to serve in the coronation are Steve Conway, Bruce Ellis, Jim Gann, Dave Gitcho, Jim Hentzel, Dean Jones, Don Kirksey, Randy Lambert, Jim Little, Terry Moore, Bob Odum, Dan Partney, Jim Peters, Bill Reimers, Peter Sabia, Stacy Steinfelt, Joe Straka, Jim Stuart, Ron Turner and Terry Yates.

The nucleus of the force involves the singer-doll's fond good-bye, via television, to a typical American teenage girl, Kim MacAfee, a 15-year-old Sweet Apple, O., miss, much to the disgust of her steady boyfriend, Hugo Peabody. A dual romance develops between Rosie and the agent, Albert, accompanied by many tribulations before the show concludes.

As in other productions, dual casting of some characters will be used. The principals and cast are: Albert Peterson - Ron Turner and Phil Spiceland; Rosie Alvarez - Linda Sabo; Conrad Birdie - Bob Gibbs; Kim MacAfee - Pauline Antmann and Connie McGovern; Mrs. MacAfee - Colleen Robertson; Mr. MacAfee - Richard Kover; and Helen - LeEtta Marnier.

Mary Beresky, Mae Peterson, Alice Cross and Linda Tadlock; Mayor - Joe Straka and Tom Ray; Mayor's wife - Pam Swan; Hugo Peabody - Bill Harris; Randolph MacAfee - Kenneth Graham; Gloria Rasputin - Jane Johnson and Marcia Barnett; reporters - Rich Paul, Jim Peters, Jim Greve and Richard White.

Based on a book, written by Michael Stewart, "Bye Bye Birdie" is the story of Conrad Birdie, a rock 'n' roll singer, who is about to be inducted into the Army, when his agent, Albert Peterson, and a faithful secretary, Rosie, concoct a national publicity stunt before his induction.

Teens - Robyn Robertson, Jean Greve, Debbie Berger, Jane Parnley, Linda Rains, Ginger Briggs, June Fowler, Sharon Roulund, Sherry Talley, Bart Russell, Paul Hoffman, Dave Gitcho, Steve Sues, Peter Sabia, Harry Zammer, Douglas Law, Jay Little, Jon Martinez, Mr. Johnson - Ken Williams; Charles F. Maude - Eric Wehndt; Susan Boyd - Angela Gasparovic, Arefa Moxy and Diana Sicking.

Background and incidental music for the play will be provided by "The Sociables," a five-piece band, assisted by Warren Simpkins, GCHS vocal music instructor, and the Granite City High School band, directed by Louis E. Meek. The local ensemble also will furnish music for the homecoming dance Friday night.

Eugene Alasat, art supervisor, and high school art department students are preparing the stage settings, while choreography is being handled by Mrs. William Holscher.

Reserved seats may be obtained at the high school office, or tickets can be purchased from speech students, Richard King, production director, commented this week. "All the students have worked extra hard to provide good entertainment and we are hoping for a 100% sell-out."

St. Elizabeth's CYO

Sets Dance Saturday

The Catholic Youth Organization of St. Elizabeth's Church will sponsor a dance from 1 to 4 p.m. Saturday in the school cafeteria, Pontoon and Johnson roads.

The Marauders, a local teenage band, will play. Each person attending will receive a free record.

Admission is 75 cents to any CYO member from any parish and \$1 to all others. Everyone of high school age is invited to attend. Jim Reinhardt is the adult advisor.

Scholarships Planned by Chain Food Stores

More than 100 scholarships, ranging from \$200 to \$1000 each and totaling \$60,000, will be awarded by the St. Louis division of National Food Stores, it was announced today by James Runyon, manager of the local store.

The program is designed for part-time employees who make up about half of the working force of all company stores, for full-time employees who are 24 years old or older and for children of full-time employees.

Runyon said scholarship applications have been distributed to the employees. Winners will be selected on the basis of ability, but the amount of each award will be determined by the individual's family financial situation, Runyon said.

The Scholastic Aptitude Test, high school academic records, extra-curricular activities, school recommendations and statements from applicants will determine the winners who will be announced next spring. The division includes 12 companies.

Housing, Motor Vehicle Regulations Enforced

Strict enforcement of housing and motor vehicle regulations has been too many violations," said university President Delye W. Morris. "There have been too many applications for permission to live in unsupervised housing, particularly since our latest count shows there are more than 1000 vacancies existing in accepted living centers where there is a wide range in prices and facilities.

On the subject of motor vehicles Morris said: "Unfortunately there has been a substantial increase in the number of motor vehicles, including motorcycles, acquired by students. This creates safety hazards, noise and parking problems, as well as violating the letter and spirit of the board's policy. We are moving to tighten enforcement."

The president pointed out that housing and motor vehicle regulations over the years have been spelled out in literature mailed to students and parents.

4-H Clubs Observing Week with Displays and Meetings

Nearly two-and-a-half million 4-H club members in the United States are observing "National 4-H Week" through Oct. 3, including local area clubs which are participating with window displays and special activities.

About 1500 Madison county boys and girls belong to 4-H clubs. The Fifty-Eighters 4-H Club of the Quad-Cities is observing the annual celebration with a window exhibit at the Ben Franklin store in the Bellemore Village shopping center. Based on the theme, "Happiness Is—4-H Is," the display, emphasizing some of the club's activities, will be judged this weekend along with other club entries.

The local 4-H group also plans to hold its 1967 organizational meeting next Thursday from 7:30 to 9 p.m. in the youth center at St. John United Church of Christ. At that time, second-year members will receive their 4-H pins and record notebooks.

Girls ages nine to 15 years are invited to attend the meeting and enroll as new members. Those interested in joining may contact Mrs. Robert Braye, club advisor, at TR 6-4338. The club holds regular business sessions on the first Thursday of each month, while the remaining weekly meetings are devoted to project training.

In past years, more than 22 million Americans have been involved in 4-H activities. Started as a rural program around 50 years ago to improve farming and homemaking practices, the organization later changed its goals due to large population shifts from farm to urban areas. Increased emphasis is now placed on projects and activities that indirectly offer vocation and career guidance to young people. Fast growing areas of study include creative crafts, automotive care and safety, room improvement, electricity, money management, foods, clothing, photography, flower gardening and home ground improvement. Development of leadership talents and abilities, recognition of the value of research and learning decision-making processes are key objectives of the national and local 4-H club programs.

SIU-SW Campus Music Faculty Program Friday

The music faculty of Southern Illinois University—Southwestern Campus, will present its first program of the new academic year on Friday at 8:15 p.m. in the Lovejoy Library auditorium. Featured will be John Kendal, violin, and Mrs. Helen Fierstad, harpsichord, playing five Handel sonatas composed for those instruments.

Kendal, who has appeared as a solo recitalist and performer of chamber music for many years, arrived at SIU-SW Campus in 1963 as professor of string development from Muskingum College where he had been director of the music department and chairman of the arts division. He is concertmaster of the St. Louis Philharmonic Orchestra and a member of the SIU-SW Campus String Quartet.

Mrs. Fierstad, a part-time member of the SIU-SW Campus faculty, received her master's degree from Eastman School of Music and has taught at St. Olaf and Carroll colleges. Her husband, Dale, is a full-time member of the music faculty at Edwardsville.

The Friday evening program is open to the public without charge.

Homecoming at Eastern To Be Held on Oct. 8

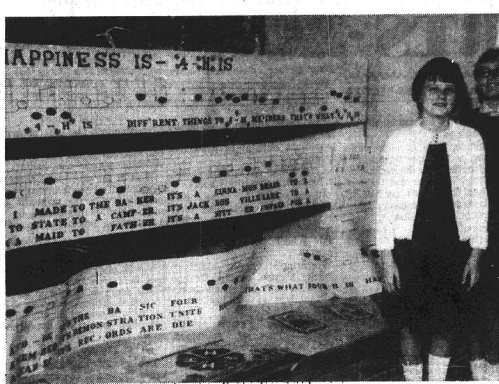

Eastern Illinois University's 1966 Homecoming weekend will include a football game with Illinois State University, a parade and Jimmy Dorsey's orchestra on Oct. 8.

Theme of the parade and house and float decorations is "Great American Historical Events." In a different format this year, Homecoming will open on Oct. 7 with multiple attractions welded into the "Homecoming Show."

The show combines into a concert the St. Zenner orchestra, the Rooftop Singers and the Herbie Mann Octet, a jazz group.

Brazilian Librarian Visiting SIU-SW Campus

Miss Maria de Lourdes Benficia, head of the periodicals section at the University of Minas Gerais Library in Brazil, is visiting this week at Southern Illinois University—Southwestern Campus. As head of the serial section at her own library, Miss Benficia is especially interested in this phase of library work.

Here to learn new methods in her field, the South American visitor is sponsored through the Bureau of Educational and Cultural Affairs, U.S. Department of State's international visitor program. She is planning to return Nov. 11 to Brazil, on completion of a three-month tour.

Miss Benficia, who received her library science degree from the University of Minas Gerais in 1955, also is a private teacher of English, French and Portuguese diction. She paid tribute to the SIU-SW Campus library, calling it "a splendid collection." "Due to expense, it is difficult to buy such fine materials in our country," the visitor said.

McCarthy Finishes Term Of Marine Training

Michael R. McCarthy, son of Mrs. John McCarthy, 2101 Glen drive, has completed his training at the Marine Corps officers candidate school at Quantico, Va., where he was undergoing his first six weeks of training as a member of the Marine Corps platoon leaders class program.

The program, which is designed especially for college students, leads to a commission as a second lieutenant in the Marine Corps Reserve upon completion of two such training periods at Quantico.

Prior to his college graduation, he will return to Quantico for six more weeks of summer training. Upon receipt of his degree, he will be eligible for commissioning, and once again return to Quantico for a 21-week basic officer course prior to his assignment to one of the many posts and stations the Marine Corps maintains both at home and abroad.

Venice Pitcher Collects Team's 2nd No-Hitter

When Venice hurler Rich Essington's arm is too sore to pitch no-hitters, he bats in home runs and lets teammate Rick Gardner do the hitting. This is what happened at Aviston Monday evening, as Venice gained a 16-1 victory.

Gardner's effort fell shy of perfect game status when two fifth-inning walks and a dropped pop fly led to the one Aviston score.

While Aviston was deprived of hits during the rain-soaked game, Venice was hard at work with the wood. The game was abbre-

viated to five innings by the ten-run lead.

Essington's homer came with a man on and Charles Barbee hit a roundtripper with the sacks empty. Russell Turner was the bas-

est Red Devil with an RBI triple in a 4-4 performance. Denny Hill went three-for-four.

Excited over the rebounding Red Devils, coach Bill Ohlendorf said, "Everybody on the team got at least two hits."

The victory brought Venice's record up to 4-2 overall and 3-2 in conference play. Tuesday's game here with Worden was postponed and Venice still has a game with Weslin here on Friday.

The figure, in fact, would be \$2671.90 if all 22 players wore the maximum amount of protective gear.

Considering all this insulation, is football a dangerous sport? "I don't think it is at all," said Madison head coach Glen Pickering, who had a front incisor snapped off at the "gum in his

high school days at East St. Louis.

Pickering's varsity assistant, Charlie Steptoe, agrees. He had two front teeth kicked out in his college days at SIU in Carbondale.

"There's hardly any part of the body," Pickering continued, "that isn't protected with some kind of device these days."

Mouth Guards
Two devices have evolved to protect the chops of modern high school gridiron gladiators — the \$2.25 face protector attached to the helmet, and a personal item each player wears.

Mouthpieces come in two varieties, Pickering explained. One is the type similar to those worn by boxers, while the other kind has a cord that attaches to the face guard. Price is the same for both, around \$2.

Granite City Kiwanis and Bow Line clubs will co-sponsor their second boat race event of the season at 1 p.m. Sunday on the Mississippi River near the Hartford Canal. Tickets at \$1 per person may be obtained at the gate the day of the races.

Competition will feature racing events for pleasure boats, some averaging under 50 horsepower, to unlimited horsepower craft of large-scale dimensions. The races will be conducted along one and two mile oblong courses with the number of laps required determined by boat classification.

Race sponsors report that those watching from the river bank will have an unobstructed view of all races. Regular outboard and hydroplane boats, spotlighted in the annual boat races, will not compete in Sunday's contest. Single-engine boats will race along the one mile course, while dual-engine craft will compete over the longer stretch.

Madison Gains Sophomore Win Against Triad

Madison high school's sophomores took a note out of the varsity book and promptly won their second game after suffering an initial defeat. They downed Triad 13-7 on the Trojan field Monday night.

Triad, which will join the Midwestern Conference in playing football next year, is playing on the jayvee and sophomore levels this season and competing varsity-wise in all other sports.

Madison spotted Triad a first-quarter touchdown when the Knights recovered a fumble that set up a scoring march.

Then the sophomore Trojans evened things in the next quarter when John Watson romped 60 yards on a neatly executed reverse.

"We really caught them napping," said coach Joe Asperger. "It seems like you get one of these every game and they really make a difference."

Stout Defense

Neither team could jell an attack in the third quarter although Madison once penetrated to the TD, only to be stalled.

Following a 14-0 first-quarter score, the Trojan second-year men didn't allow the Knights to advance beyond the Madison 30. "Our defense," said the coach, "was exceptionally good in this game."

The final tally on the Trojan scoreboard came in the last quarter when Jim Scott, who shared quarterback duty with Don Williams, found Eddie Hill-ton on a 45-yard pass play.

Scott, who had converted successfully the first time on a PAT run, failed in this final attempt.

Madison's sophomores next play at Dupu Oct. 10.

Coordination, Definite Plan Mental Health Need

Comprehensive mental health facilities and greater coordination among existing agencies represent Madison county's foremost need in meeting the county's constantly growing mental health problems it was pointed out Monday in a public hearing at Southern Illinois University-Southwestern Campus.

The meeting, held in the Lovejoy Library building was sponsored by the Illinois Association for Mental Health and the Illinois Board of Mental Health Commissioners. The program included speakers from various organizations and institutions who discussed mental health problems throughout the Madison-St. Clair county area.

For the most part, speakers agreed that lack of facilities is the number one problem, followed closely by lack of coordination of the facilities that are available.

T. J. Fitzgerald, executive director of the Madison County Mental Health Center at Alton, told the meeting that other notable gaps in the mental health program includes lack of hospital beds outside the Alton State Hospital for psychiatric treatment; a lack of emergency care for patients who become psychotic or too disturbed to remain at home; a lack of day care centers for children or adults who need treatment; need for a "tremendous" alcoholic problem, and a need for a program to serve children who do not fit in any of the present categories.

Educational Program Needed
Fitzgerald said there is a real need for an educational and promotional program to explain the facilities now existing and stress the need for additional services. At the same time it was pointed

out that lack of funds and a lack of qualified employees are two major causes of serious problems at Alton State Hospital. The hospital's problems were spotlighted last July when 22 persons died during a two-week heat wave.

Donald Tatro, head of the Madison County Unit of the hospital, said 50 to 60% of the patients in one unit do not need hospitalization and could return to the community if they had a place to go. He said that there are facilities outside the hospital for 37 of the 500 patients in the Madison county unit. There are about 1500 other patients in the hospital.

Tatro blamed lack of community interest in mental health for many of the hospital's problems.

Public Knowledge Important
Finally, Tatro said, "we believe that more effort has to be put into programs aimed at improving community knowledge of the attitudes toward the problem of mental health."

Duane Weber, director of special education in the Edwardsville schools, said one of the greatest needs is that of facilities for dependent children. Foster homes and boarding homes and boarding homes for retarded children are sadly lacking, he said. Weber pointed out that personnel at the Granite City and Alton centers "is spread too thin."

Mrs. Thelma Hausfus of Alton, representing the Madison County Association for Retarded Children, discussed the need for counseling of parents of retarded children, pre-school programs and activities for the children.

John Seaman, acting director of the East St. Louis Zone Office of the Department of Mental Health, said the greatest need is understanding and conviction among Madison county residents. He said services should reflect the needs of the population, but fall far short.

A similar meeting was held Tuesday morning in the East St. Louis city hall for St. Clair county.

Plote Lost or Stolen

David Barrett, 1013 Market street, Venice, reported to police Monday afternoon that a license plate was either lost or stolen.

St. Louis Drops Murder Charges Against GC Man

The second of two murder charges against James "Buddy" Clubb Jr., 25, of Granite City, once accused of aiding in the murder of two young St. Louis women, was dismissed Monday afternoon by the circuit attorney's office in St. Louis. The other charge was dropped last Friday.

The charge dismissed Monday accused Clubb of helping Theodore A. Dusen, St. Louis, in the strangling of Mrs. Patricia Ann Sutterfield, 17, in a St. Louis apartment on June 15, 1964. The other charge alleged Dusen and Clubb drew a knife on Miss Elizabeth Phipps, 18, in the Mississippi River near Jefferson Barracks bridge June 1964.

The circuit attorney's office listed Clubb's address in the 1800 block of Delmar avenue. Circuit Attorney James R. Corcoran said the charge against Clubb was dropped because Clubb testified for the prosecution in Dusen's trial for the murder of Mrs. Sutterfield. He added that Clubb's testimony exonerated him of complicity.

Dusen was convicted of the slaying last June 22 and was sentenced to death. He is in the Missouri penitentiary where he is awaiting results of an appeal that personnel at the Granite City and Alton centers "is spread too thin."

Dismissal of charges against Clubb in the drowning of Miss Phipps were about the same as those given by Corcoran in the slaying of Mrs. Sutterfield, according to First Assistant Prosecuting Attorney Robert Spalding. In addition, he said, Miss Phipps body has never been recovered.

Loans Available Due To Drought Disaster

Small businesses in Madison county that suffered substantial economic injury because of last summer's drought may apply for Economic Injury Loans, according to the St. Louis office of the Small Business Administration.

The loans are also available in St. Clair, Bond, Crawford, Effingham, Fayette, Jasper, Monroe and Montgomery counties which were declared natural disaster areas by the U. S. Secretary of Agriculture two weeks ago.

Small businesses must have suffered economic injury because the drought prevented their normal trade operations.

Farmers and stockmen are not eligible. Loans from SBA, but should apply instead to Farmers Home Administration. The Small Business Administration in a guarantee up to 80% of a direct bank loan or may lend the entire amount directly to a borrower.

Such loans may be used for working capital, stocking of normal inventories and to pay financial obligations other than bank loans which the borrower cannot meet because of the disaster.

1967 DODGE MONACO that went on display with other models at Farrington Motors, 1911 Madison avenue.

1967 Dodges on Display Today at Farrington's

Display of the new Dodge lines for 1967 started today at Farrington Motors, 1911 Madison avenue, and local dealer, Don Z. Farrington noted a "double surprise" package with completely revised versions of the two prestige models—the Monaco and Polara.

Farrington added, "You'll find longer, lower profiles, a semi-fastback roof for hardtop models and high-style front and rear treatments in these two luxury leaders of the Dodge line."

Interiors also have been restyled, and bucket seats, a floor console are featured in the Monaco 500 and Polara 500. Bucket seats are also available in the hardtop.

New body sculpture sheet metal provides crisp angular front ends and a rakish rear-deck treatment in 15 models and six body styles, Farrington said.

The new Polaras and Monacos are six inches longer overall with 122-inch wheelbases. A new recessed grille and delta-shaped tail lights set flush into a tapered rear deck are designed to signify motion.

"This is D-Day" DODGE REBELLION OPERATION '67

Fresh off the drawing board with an arsenal of powerful new ammunition. Bigger. Longer. Sharper. Hot new Dodges to back the attack on dull driving. Dart, Coronet, Polara, Monaco, Charger. Check them out today. The Dodge Rebellion will get you if you don't watch out.

'67 DART

Wow! Who goes there? '67 Dodge Dart. That's who. That's Dart, all right—totally new. Through-and-through new. New long, low silhouette. New plush interiors. New performance, too. But there's one thing you'll recognize about '67 Dart—its low price. Why resist? Enlist. Dart for '67.

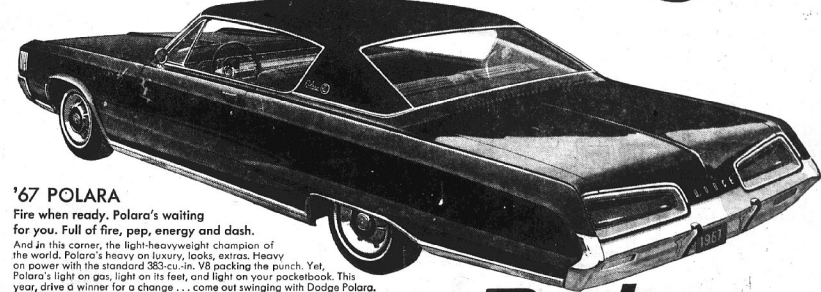

'67 CORONET

Advance and be recognized. We know you. Last year's biggest selling Dodge gets oil freshened up, all sharpened up for another big assault on the drab Slugs and dull V8s. The ones you've had enough of. You're ready to move out of that deep rut and into a car with class, dash, and lots of it. That's Coronet for '67.

'67 POLARA

Fire when ready. Polara's waiting for you. Full of fire, pep, energy and dash. And in this corner, the light-heavyweight champion of the world. Polara's heavy on luxury, looks, extras. Heavy on power with the standard 383-cu.-in. V8 packing the punch. Yet, Polara's light on gas, light on its feet, and light on your pocketbook. This year, drive a winner for a change... come out swinging with Dodge Polara.

Firms Accepting Broad Responsibility

Private Universities Saved by Business Gifts in Recent Years

(Second of two articles by John P. Fishwick, senior vice-president of the Norfolk & Western Railway Co.)

Traditionally, business firms have encouraged their officers and employees to participate in community affairs. This is often thought to be a beneficial arrangement for both corporation and employee.

The employee hopes that by participating actively in community affairs in his off hours he will fulfill his own responsibility to society, develop his own capabilities, and at the same time catch the eye of someone in top management of his company, all of which might result in his own personal advancement.

From the firm's standpoint, such participation by its officers and employees during their off hours costs nothing and at the same time helps create for the firm an image of being a good and benevolent citizen.

This is also a justification for a corporation giving employees an opportunity to participate in community affairs during hours of business hours and in many cases corporations have officers and employees whose principal responsibility is in this community.

Businessmen in Politics

Spurred by such organizations as the Chamber of Commerce, more and more corporations are now encouraging their employees to participate actively in community and government. This is certainly a favorable development and should be further encouraged. It is important, of course, that top management recognize that when an employee undertakes governmental responsibilities, he is expected to do his best in performing his governmental responsibilities regardless of the consequences to the corporation.

Major firms should give substantially more encouragement to employees to undertake governmental responsibilities. Every administration in Washington is faced with the problem of recruiting able men and women who are not career government employees to fill positions of great importance.

There is a large number of competent lawyers available for such service because the transition from a law firm to government and back again can be accomplished with relative ease and over the long run often with substantial financial betterment for the lawyer involved. Consequently, many important nonlegislative posts in Washington are filled by lawyers.

Timing of Government Service
But with businessmen the story is quite different. There is no problem with the older men and women who are approaching the end of their business careers and have accumulated their nest eggs. There is also no substantial problem with the younger men who can readily be spared by their corporations.

The real problem is with the men who are in or approaching their most productive years, who have children to educate, who have not yet made their nest eggs, and who if they accept government employment must face both a sharp drop in income and the prospect of loss of position on the executive ladder.

Voluntary or Compulsory?
The question remains how much further can corporations be expected to go to use their power and financial resources to forward the national purposes.

In some cases, they are asked to cooperate with government on a voluntary basis. For example, corporations have recently been asked to reduce foreign investment temporarily to help solve our balance of payments problem. The choice here was solely between voluntary compliance or governmental compulsion, and the decision was, of course, easy.

But the problem of the balance of payments is only one aspect of the larger problem of international monetary liquidity. Failure to solve this problem would have a devastating effect on our economic life.

Corporations which have something to contribute to the solution of this problem have every reason to become involved in a substantial way.

The demand of minority groups for an immediate share of the nation's material goods and for equal opportunity is an explosive and controversial issue which has resulted in civil rights legislation. This legislation imposes strict obligations on corporations with respect to equal employment opportunities.

How well the law works, how successful it is in quieting the unrest which threatens to disrupt our lives and under the respect for law and order, may well depend upon whether corporations comply with the letter of the law or whether they push vigorously above it.

Our fifty largest companies have almost three times as many people working for them as our fifty states, and their combined sales are over five times greater than the sales of the states.

The corporation has largely supplanted the individual entrepreneur and business tycoon

whose wealth and power gave them an independent and powerful position in our economic and social system.

In place of these individuals, there develop large corporations whose leaders were not so much men of independent power as men whose power is professional managers with positions of power gained through corporate office. The corporation, having taken over the economic power of the individual, cannot let the social responsibilities which went with the power come to rest in a vacuum.

The corporation's responsibility, therefore, must be commensurate with their power. If corporations fail in this respect, their opportunities will disappear.

There are indications that corporations are accepting this responsibility.

Education at Crossroads
For example, at the end of the year 1965, it was apparent that private higher education in America was at the crossroads. It was to grow and thrive, it had to raise very great sums of money to expand its facilities, increase teachers' salaries and

the higher operating expenses. The funds available for these purposes from customary sources, such as endowments, bequests and contributions of individuals, were plainly inadequate. The foundations established by business tycoons of bygone days could not fill the gap.

Private colleges, therefore, turned to perhaps the only potential and adequate source of funds available—corporations.

At that time, corporations, while recognizing the merit and urgency of the demands, doubted their legal right to make contributions to privately-supported educational institutions. I can remember seeing businessmen say that they would like to make corporate contributions to colleges, but they couldn't give away stockholders' money.

Court Confirmation
Nevertheless, some corporations did what they felt they ought to do. They took a chance and gave money to colleges, and they pulled the legal sword to accept the fact of social change and new demands. Their judgment was confirmed by the courts.

In 1953 the Supreme Court of New Jersey rejected the position of stockholders who alleged that a contribution to a privately-supported educational institution was a misappropriation of corporate funds.

The court stated that these persons, "as individual stockholders whose private interest rests exclusively in the preservation of the plaintiff corporation, ought not to be permitted to close their eyes to present-day realities and thwart the long-continued corporate action in recognizing and voluntarily discharging its high obligations as a constituent of our modern society structure."

The right to contribute to private education is now well accepted by the legislatures of most of our states. It has been the salvation of our educational system.

Register to Vote This Fall Before Oct. 11 Deadline
The need to understand this fall's election issues has been pointed out. But all advance citizens will be in vain unless a voter also takes the trouble to qualify legally.

Retention of Judges on Green Ballot

The question of retaining four Associate Circuit Judges of the Third Judicial Circuit for new six-year terms will be presented to Quad-City and Madison county voters on a special ballot in the Nov. 8 general election. The ballot will be printed on green paper and will be one of six to be received by each voter.

Masonic Temple Groups To Give Smorgasbord

Mrs. Hazel Wood has been selected as general chairman of a smorgasbord to be held at the Masonic Temple Sunday, Nov. 6, from 11 a.m. until 7 p.m.

The event is being sponsored by the Granite City Masonic Temple Association and all organizations meeting there are co-operating. They are Granite City Lodge 877 and Triple Lodge 835, as well as two Eastern Star chapters, 432 and 680, the DeMolay chapter, Job's Daughters, Gabriel Shrine 78, Royal Arch Masons and the Tri-City Shrine club.

A wide variety of food will be served. Salads and desserts will be donated by the members. Admission will be \$2 for adults and \$1 for children under 12. Tickets may be purchased at the door or from members of the above organizations. The proceeds will be used for improvements in the Temple.

Smorgasbord duties have been assigned and committee meetings will be held Oct. 18 at 8 p.m. at the Temple to complete plans.

30 Criminal Cases Going to Grand Jury

About 30 criminal cases are being presented before the Madison county grand jury which was impaneled Monday by Circuit Judge James O. Monroe at Edwardsville.

Members of the new jury include George Huncy sr. and Rudolph Muzzarelli, both of Granite City. The foreman of the jury is Albert J. Zebeli, a Collinsville school teacher.

voters on a special ballot in the Nov. 8 general election. The ballot will be printed on green paper and will be one of six to be received by each voter.

Each voter will receive six ballots—the general election ballot for state, district and county candidates on white paper; the associate judge retention ballot on green paper; the Mental Health department ballot on tan paper; the detention home proposition on orchid paper.

Each voter will receive six ballots—the general election ballot for state, district and county candidates on white paper; the associate judge retention ballot on green paper; the Mental Health department ballot on tan paper; the detention home proposition on orchid paper; and a Revenue Act constitutional amendment proposal on blue paper.

Miss Hotz noted that while every voter in the county will be given six ballots for voting in the general election and the five side issues, the county clerk's office will handle tabulation of 12 separate ballots.

This results from redistricting of senatorial and representative districts last year, splitting the county's townships into seven different combinations of candidates for the various districts. As a result, the white ballot containing the names of candidates will differ in all seven districts and must be tabulated separately.

Ballots for the general election of candidates and for the five various proposals are now being prepared by printers, Miss Hotz said.

Amvets Post 51 Begins Weekly Turkey Shoots

Amvets Post 51 has started its weekly turkey shoots at the Post Home, 5100 Lakeside drive at Pontoon Beach with funds to be used for the organization's welfare program and for improvements to the facilities.

Rex Manning, post commander, said the shoots start at noon each Sunday on the club grounds.

A. P. Green Opens New Plant in England

A. P. Green Refractories Co., which maintains Granite City offices at 2001 street and the railroad tracks, has announced official opening of an all-new specialties plant in Bromborough, England.

The new facility is part of A. P. Green's long-term objective of expanding the Green product line and production facilities to better serve customers throughout the world. The new plant in England is the second Green production facility to open in the last six months.

Earlier this year a plant was opened in Monterrey, Mexico. After the first of the year, a \$4 million dollar periculate plant will open in Freeport, Texas. The Bromborough plant will replace existing facilities in Manchester.

County Sues to Close Tavern on Vice Charge

A suit to close Grace's O. K. tavern, 9900 Collinsville road, by State's Atty. Joseph Barylak on a charge connected with prostitution.

Defendants are Mrs. Grace E. Brown, operator of the tavern, and Anthony J. Burger, owner of the property.

The tavern was raided by the county sheriff's office on the night of Sept. 16 when Judy Gail Siebeck, 19, of Centerville, was arrested on a prostitution charge. She had pleaded guilty but filed a motion to change her plea. Her hearing on the motion is set for Oct. 5. The injunction suit to close the tavern is expected to be set this week.

ON DISPLAY TODAY at Hundley Pontiac Co., 1801 Madison avenue, is the new 1967 Pontiac LeMans series, such as the hardtop coupe shown here.

Hundley Pontiac Displays New 1967 Models Today

"Emphasis this year in the 1967 Pontiac models is being placed not only on a bold new approach in styling, but also on engineering features designed to increase the safety, comfort and convenience of driving," Walter Hundley, local dealer said today.

The new models went on display today in the Hundley Pontiac showrooms at 1801 Madison avenue.

Hundley said all two and four-door models are featuring new sweeping roof lines and have major design changes in the front and rear ends. A new exclusive recessed windshield wipers.

Standard equipment on all 1967 models are an energy-absorbing steering column, a dual braking system and an inside rearview, non-glare tilting mirror.

This year, Pontiac has increased the number of models from 33 to 35.

The Tempest series includes a sports coupe, four-door sedan

and station wagon, while the Tempest Custom series has a sports coupe, hardtop coupe, four-door sedan and hardtop, convertible and station wagon. In a separate series is the Tempest Safari four-door station wagon.

The Pontiac LeMans is available in a sports and hardtop coupe, four-door hardtop and convertible; and the GTO is offered in a sports coupe, hardtop coupe and convertible.

The Catalina series has seven models—two and four-door sedans, a hardtop coupe, four-door hardtop, convertible and custom three-seat station wagon. The Bonneville series includes a hardtop coupe, four-door hardtop, convertible and custom three-seat station wagon.

The Grand Prix is available in a convertible and hardtop coupe. The sprint option is offered on all Tempest and LeMans Models.

New Curriculum Being Planned for MH Aides

Dr. Thomas McConahey, supervising therapist at Alton State Hospital, has been named to help develop a curriculum for a new educational program for professional aides in mental health.

His appointment stemmed from a recent meeting in Chicago of the Planning Committee for Utilization and Training of New Mental Health Manpower, of which he is a member.

The group's purpose is to study ways and means of revitalizing aid positions in the Department of Mental Health, namely psychiatric, child care and security therapy. McConahey, who is also a member of the hospital's educational committee, was selected to a task force consisting of eight other representatives from

each of the eight zones. A meeting of this unit is planned for Oct. in Chicago.

The supervising therapist said the parent committee is concerned with revamping job classifications and policies so that personnel can advance on the basis of experience, merit and length of service. He said its recommendations would be subject to the approval of the Department of Personnel, which would make no decision until July 1 of next year.

Ride the Wide-Track winning streak!

From the same drawing board that gave you Grand Prix, GTO and Overhead Cam Six now come the newest Pontiacs since the invention of Wide-Track!

You're looking at the most beautiful Pontiacs ever to ride on Wide-Track. The incomparable GTO returns with a 335-hp 400 cubic inch engine under a magnificently refined new skin. Or you can order the 255-hp version or the fabulous new 360-hp Quadra-Power 400. And for the first time, you can order your GTO with our famous three-speed Turbo Hydra-Matic.

The Le Mans and Tempests come back better than ever. Bright new interiors. Bold new colors.

A 165-hp Overhead Cam Six is standard. Or you can specify a 215-hp version, a 250-hp regular gas V-8 or its 285-hp premium gas Sprint. Or step into the newest grand touring car this side of the Atlantic with our OHV 6 Sprint package.

Our big Pontiacs are new from the famous split grille to the slickest innovation of the year —disappearing windshield wipers! They're less subject to freezing. And only Pontiac has them.

Also new: a Grand Prix convertible! There are new 400 and 428 cubic inch V-8s. New safety features such as front seat belt retractors, a four-way traffic hazard flasher, folding front seat back latches and General Motors' new energy absorbing steering column. Of course, all Pontiacs come with the road-hugging security of Wide-Track.

Children Need More Time to Cross at Pontoon Stop Light

Longer cycles for the new traffic signal lights at Pontoon and Nameoki roads are to be arranged to give sufficient time for small children to cross the wide-ened intersection on their way to and from Nameoki school.

The request was made Monday night by Alderman Johnson, who said youngsters are getting stranded on the traffic islands.

He pointed out that while the 30 and 40-second cycles were functioning smoothly for vehicles, the children have problems.

"Walk Lights Planned"

Mayor Partney said he would make the request to R. Dron Electrical Co. to lengthen the cycles. He added that the firm is to have "walk" lights to in-

stall with the traffic signals to replace the present smaller signs and to install a greater number of them.

Bad Problem Near School

A joint city-park district-school district project to eliminate a bad problem along Maryville road at Parkview school was proposed by Alderman Partney.

He said a combination of the high elevation of adjacent Worthen Park, a lack of sidewalks and construction in the area was creating a hazardous condition for children. "Perhaps a joint arrangement can be made for a sidewalk along the park and a retaining wall. He added that the city engineer has a plan prepared.

Front Line Variance Approved for Market

A front line variance approved nearly a month ago by the Zoning Appeals Board for Maryland Bi-Rite Market, 2201-47 Pontoon road was authorized Monday night by Granite City council members.

The variance to permit construction of an addition to the store was held up 2 months ago by the council because of a petition of objection. New petitions were presented to the council Monday night bearing names of most of the objectors, who had changed their minds. Alderman Johnson said that of the original objectors only one objection remained.

The building owner, Joseph Rill, plans to build the annex 14 feet from the sidewalk inside the required 20 feet. The variance was approved by a 13-2 vote, with Whitmer and Bortick voting no.

Illinois Public Aid Cases Decrease Since 1962

Harold O. Swank, Illinois public aid director, told Department of Public Aid employees at a three-day conference held this week in Springfield that Illinois public aid cases have decreased by 10% since 1962.

He said that of the nine most populous states, only Illinois and one other state have shown decreases in the number of Aid to Dependent Children cases, with much of the ADC reduction due to the department's training programs to place mothers in jobs.

Swank said the public aid caseload is expected to remain stable during the 1967-68 biennium, but adjustments in assistance allowances will have to be made to keep up with the expected increase in the cost of living, and medical costs for public aid recipients.

Other factors increasing medical expenditures for the biennial will be the extension of medical care to persons over 65 living in mental institutions and tuberculosis sanatoriums, and the addition of medical aid for all newly children under 21, Springfield has been cited by Swank said.

Swank also related the Department's need to obtain desirable job applicants, the value of spe-

Committee Set Up to Aid Mental Health Tax Drive

A Citizens' committee for Comprehensive Mental Health in Madison County has been formed to obtain additional state and federal monies.

The estimated \$172,800 will be needed from tax sources to finance a program that would provide mental health treatment facilities in the major communities of Madison county.

This amount would assure emergency service on a 24-hour basis; diagnostic and consultation services to the various social and voluntary health and mental agencies, services for the mentally retarded and the emotionally disturbed in the county's schools.

The cost, Schwartz explained, would be less than one cent per day for each family. Up to 75% of the cost of professional personnel could be covered by state and federal sources once a local matching money is available.

Miss Chastain to Play In Music Recital Sunday

Cathy Chastain, 4917 Mueller avenue, will participate in a freshman honors recital to be presented by the music faculty of Southern Illinois University-Southern Campus at 3:30 p.m. Sunday in the Lovejoy library auditorium.

She is a flutist. The program will include works of Bartok, Schubert, Strauss, von Weber, Charles, Gerswin, Beethoven, Faure, Brahms and Debussy. The recital is open to the public without charge.

Tax Hearing Continued In Den Liquor Case

The Illinois Liquor Control Commission continued a tax hearing to Oct. 21 for Thomas Gushel, operator of The Den, 2401 State street, Monday at Springfield.

Gushel has been cited by Swank said.

Council Oks Curfew —Then Violates It

Granite City Council members voted approval Monday night of an ordinance setting an 11 p.m. curfew for council sessions and then violated it the same night.

"Well, the ordinance hadn't been signed by the mayor yet," one alderman remarked after the 11:25 adjournment.

The ordinance sets council meetings for 8 to 11 p.m. on the first, third and fourth Monday of each month. Last week Alderman Whitmer vetoed his services as official timer.

Rights Movement Rotary Topic; Honor Inter-Act

Legal and moral aspects were reviewed in a talk on "Serna to Chicago—the Civil Rights Movement Goes North" at a weekly luncheon meeting of the Granite City Rotary club Tuesday at the YMCA.

Guest speaker was Richard J. Childrens, professor of constitutional law at St. Louis University, who answered questions from the members following his talk. A participant in the Selma, Ala., civil rights march, he was introduced by Arthur Koepfer, program chairman.

Moose Lodge Planning Move to 19th, Adams

Moose Lodge 272, which owns the three-story brick building at 1900 State street, plans to relocate the club in the former Hammerman Hardware building at 19th and Adams streets.

The lodge is in the process of selling the State street structure and purchasing the Hammerman property. Application was made Monday night to the city council for transfer of the club liquor license. The request was referred to Harold Hillmer, deputy liquor commissioner.

Council members pointed out a tavern is located across the street from the Hammerman building and questioned compliance with the city's tavern distance law. Mayor Partney, who is liquor commissioner, said the restriction does not pertain to a private club.

An official of the lodge said the sale of the State street property is near and that the lodge has an option on the Hammerman building.

Salvation Army is Dedicated to Community Service

Deeply respected by former and current military personnel for its contributions in wartime and peace, the Salvation Army is a unique organization dedicated to service of the individual, family, community or nation through activities both varied and many.

One of the oldest and most widely-known charitable organizations in the world, the Salvation Army serves Quakers through their citadel headquarters, located at 1005 Grand avenue, or wherever their services are needed.

Lt. and Mrs. Donald Wisor, recently assigned to the Quaker Cities, supervise programs and activities here. They replaced Lt. and Mrs. Ronald Gorton, who were transferred to the Hannibal headquarters.

The Salvation Army, an agency of the Tri-Cities United Fund, is recognized for its ability to provide emergency assistance on a moment's notice, but also for its consistency throughout the year to offer an organized program of religious education and recreation for persons of all ages, as well as specialized activities for senior citizens and young people.

National and area Salvation Army services include such programs as spiritual guidance and evangelism, maternity homes and hospitals, missing persons for servicemen, summer camps and youth programs, day care, foster home care for children, correctional services.

Alcoholic rehabilitation programs, Evangeline residences for young women, men's social service centers, disaster and emergency services, family service bureaus, hospital visitation, community recreation centers, boys' and girls' clubs, employment bureaus, emergency shelters, home league programs and service units.

In addition to the 1967 United Fund allocation, set for \$22,500, an increase of \$100 over last year's budget, the Salvation Army annually conducts the "Tree of Lights" campaign. All ed out to the Salvation Army ad funds raised through the latter victory base, that one moderate appeal, in a small section of the Christmas Cheer program. Last Christmas, cash donations totaled \$221, while the equivalent of 150 enthusiastic youngsters re- \$278 was received in donated spending, most of whom could goods. Voter Registration Centers for this Weekend

A series of special registration periods will be held in the Quad-City area this weekend to register new voters and accept minor changes in voter records.

The special registrations have been held for the past month in various parts of the area with deputy registrars of the county clerk's office on hand to accept the filings.

Registration periods scheduled this week include:

Granite City—Tri-City Grocery, Bellemore Shopping Center, Friday and Saturday, 1 to 8 p.m.; Maryland Bi-Rite Market, 2205 Pontoon Road, Saturday 10 a.m. to 5 p.m.; Cohen's Food Market, 2301 Illinois avenue, Saturday, noon to 7 p.m.; Kirkpatrick Homes Recreation Center, Saturday, 10 a.m. to 5 p.m.

Madison — Memorial Center, Third and Washington, Saturday, 1 to 8 p.m.

YOUNGSTERS AND SENIOR CITIZENS ALIKE benefit from the varied programs and activities sponsored by the Salvation Army. Traditionally the "helping hand" for those in need, with no other place to turn, the Tri-Cities United States agency also provides emergency relief food, clothing and shelter for families and individuals.

Within a ten-week period last year, Lt. Gorton explained, more than 200 new people came into the Salvation Army program, but because of the inability to accommodate them, only a small percentage remained. He added that an effective new program also started this year for youngsters is unable to be expanded, although the demand is there, due to the same lack of facilities.

A. C. Stover serves as advisory board president; Richard West, vice-president; Arthur Harris secretary; and Roy Lynn, treasurer.

Board members include Claude Echols, Albert Michel, Christ Pashoff, Lavern C. Parker, Mrs. Elvira Thurber, Charles Zeuglin, C. E. Blankenship, Fred Cunningham, Harry Ebe, Wade James, George Stearns, C. E. Townsend, Albert Ward Jr., Albert T. Belt, Robert Bierer, Eugene Burnett, Loren Davis, Harry Johnson, Joseph Richardson, and Roy Lynn.

Griffin Wheel to Open Sales Office in Area

Griffin Wheel Co., an operating unit of Amsted Industries which also includes American Steel Foundries in Granite City, will establish a sales office in St. Louis tomorrow, it was announced Tuesday. The company is the largest producer of railroad car wheels in the nation.

J. K. Stanton, Griffin sales representative, will head the St. Louis operation. Griffin Wheel is headquartered in Chicago.
